Ms. Maureen O'Sullivan, T.D.,
Dáil Éireann,
DUBLIN 2.

Re/ Parliamentary Question 22662/11 "To ask the Minister for Health and Children the number of alcohol related non-hospital illness cases in Dublin Central for each of the past five years, by the DCC areas of Cabra, Glasnevin and North Inner City; and if he will make a statement on the matter"

Dear Deputy O'Sullivan,

I refer to the above Parliamentary Question and the following is the response.

With regard to alcohol related non-hospital mental illness, so far as the Community Mental Health Manager is aware, there is no local comprehensive data on this.

The HRB publish admissions to psychiatric units with a primary alcohol-related diagnosis, but those are obviously inpatient (ie hospital) data.

I trust the above clarifies the position for you.

Yours sincerely,

Rosaleen Harlin
Lead Manager on Parliamentary Affairs
