What's a Watershed?

You can stand there and agonize
Till your agony's your heaviest load

You'll never fly as the crow flies
Get used to a country mile

When you're learning to face
The path at your pace

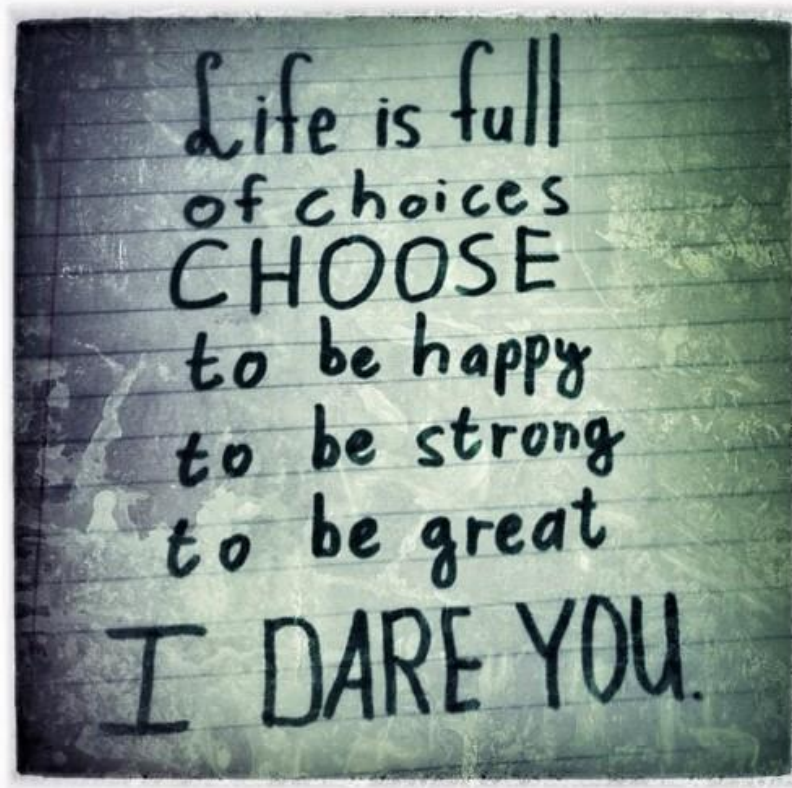

When you're learning to face
The path at your pace

When you're learning to face
The path at your pace

Every choice is worth your while.

If it's true for 'them' it's true for us

Up on the Watershed, standing
at the fork in the road

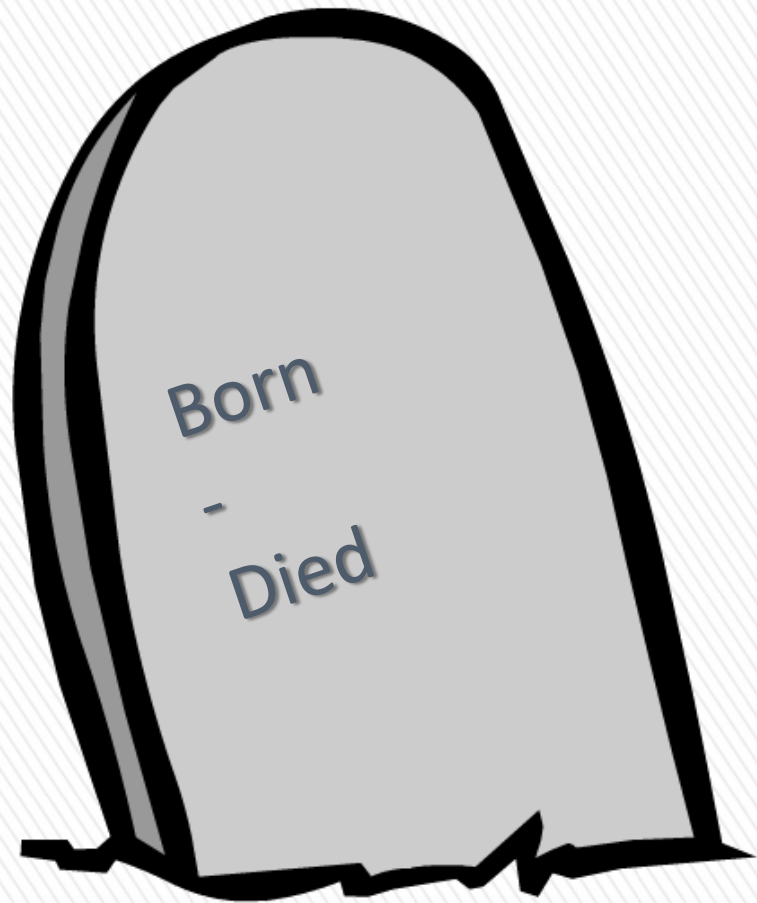

You can stand there and agonize
Till your agony's your heaviest load

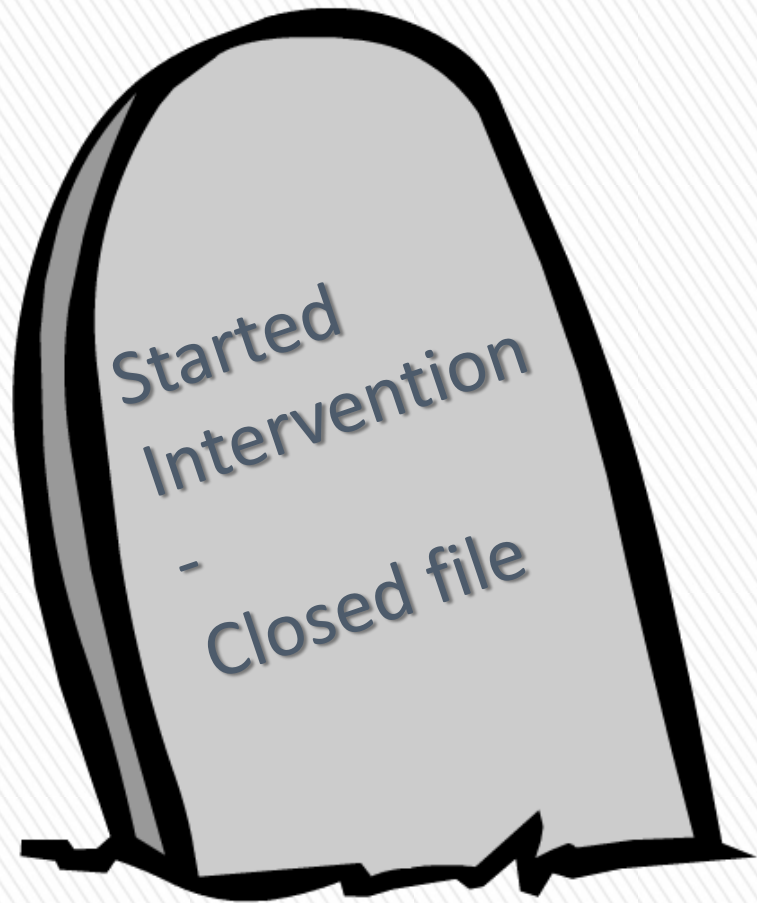

You'll never fly as the crow flies
Get used to a country mile

When you're learning to face
The path at your pace

Every choice is worth your while.
