(k) Your brothers/ sisters [ ]	[ ]	[ ]	[ ]	[ ]	[ ]
(l) Other people in your family [ ]	[ ]	[ ]	[ ]	[ ]	[ ]

*Calculation of Indices: The procedure for calculating indices of approval, are precisely the same as those involved in the case of peers (see above). Obviously, where a respondents indicates that no such person exists, the item might be treated as missing, or a separate analysis carried out for those who indicate that this is the case.*
