

Perception of Parental Conflict

	Strongly Agree	Agree	Unsure	Disagree	Strongly Disagree
(a) My parents frequently have arguments	[]	[]	[]	[]	[]
(b) I get really frightened when my parents fight	[]	[]	[]	[]	[]
(c) I worry about what will happen to me when my parents argue	[]	[]	[]	[]	[]
(d) I never see my parents argue or disagree with each other (-)	[]	[]	[]	[]	[]
(e) When my parents have problems they usually can sort them out (-)	[]	[]	[]	[]	[]
(f) It upsets me a lot when my parents argue	[]	[]	[]	[]	[]

Calculation of Measure: Code items a, b, c, and f from 'strongly agree' = 1, to strongly disagree = 5. Items d and e should be coded from strongly agree = 5 to strongly disagree = 1. The mean of the items provides a measure of perception of parental conflict.
