1. MESSAGE FROM THE CHAIRPERSON OF THE COMMITTEE

Dear Commissioner,

It is my pleasure as chairperson of the Monitoring Committee appointed under section 44 (1) of the Children Act 2001 to present the 2018 Annual Report. It is my first year in the position and the role has provided me with the opportunity to engage with both the Section 44 Committee members and the staff at the Garda Youth Diversion Office (GYDO) in working together to ensure the effectiveness of the Diversion Programme.

The Diversion Programme provides a unique opportunity to An Garda Síochána to engage with young people and provide guidance and support to them in addressing their behaviour and making positive choices. The Programme is a vital crime prevention tool and an important asset to An Garda Síochána. In my role as Chairperson of the Committee, I wish to highlight the excellent work that is being carried out by all those involved in the operation of the Diversion Programme on a daily basis and ensure the ongoing commitment of An Garda Síochána in supporting the Programme to meet the highest levels of quality and effectiveness.

The Monitoring Committee provides support to the Diversion Programme and GYDO by identifying and highlighting areas that can be improved upon and by making recommendations to ensure the Diversion Programme continues to be an effective means in diverting children from crime and the criminal justice system. The 2018 Annual Report reflects the activities of the Monitoring Committee and the Diversion Programme during 2018. It highlights the developments that occurred during the year, identifies the current challenges and risks to the Diversion Programme, and provides statistics relating to the operation of the Programme in 2018. Having monitored the effectiveness of the Diversion Programme throughout 2018 through the meetings of the Committee and engagement with GYDO, a number of recommendations have been set out for 2019.

I would like to take this opportunity to extend my sincere thanks to the Director of the Diversion Programme, the staff at the Garda Youth Diversion Office and each Juvenile Liaison Officer nationwide for their continued commitment to youth diversion throughout 2018. I also wish to thank the Garda Síochána Analysis Service for the provision of the Diversion Programme statistics for 2018. Finally, I wish to thank the members of the Section 44 Monitoring Committee; Dr. Jennifer Carroll MacNeill, Mr. Eddie D'arcy and Chief Superintendent Colette Quinn for their efforts and commitment throughout the year.

Orla McPartlin

Assistant Commissioner

2. OVERVIEW OF THE COMMITTEE

Section 44 of the Children Act 2001 provides that a committee be appointed to monitor the effectiveness of the Diversion Programme. The terms of reference of the committee are to:

-  Monitor the effectiveness of the Diversion Programme.
-  Review all aspects of its operation.
-  Monitor all ongoing training needs of the facilitators.
-  Present an annual report to the Commissioner of An Garda Síochána on its activities during the year.

The tasks of the committee are to:

The current members of the committee are:

Assistant Commissioner Orla McPartlin has responsibility for the Community Relations Bureau which includes the national portfolios of the Garda Youth Diversion Office and Garda National Community Oriented Policing Bureau. She was appointed as Chairperson of the Monitoring Committee in 2019.

Eddie D'Arcy is a professional youth worker with more than 35 years' experience, including 15 years as manager of Ronanstown Youth Service and 6 years as Head of Youth Work Services with Catholic Youth Care. He developed the first Garda Youth Diversion Project (GRAFT). He is currently a lecturer in youth work at Dundalk IT and works with the Compass Project which supports young offenders after their release from prison.

Dr Jennifer Carroll MacNeill is a barrister and former solicitor and political scientist. She is the co-author of 'The Children Court: A National Study' published in 2007 by the Association for Criminal Justice Research and Development. She has worked in the Department of Children and Youth Affairs and the Department of Justice and Equality. She was appointed to the Monitoring Committee in October 2015.

Chief Superintendent Colette Quinn has responsibility for the Garda Youth Diversion Office which includes the portfolios of the Garda Youth Diversion Projects Office and the Garda Age Card and took up her role in January 2018. She previously served as the Director of the Diversion Programme from 2007 to 2017.

3. EXECUTIVE SUMMARY

STATISTICS AT A GLANCE

2018 saw 16,491 youth referrals to the Diversion Programme. This is a 17.5% decrease from the 2017 referral figures which were 20,006. The number of children referred was 8,561, a 19% reduction on the number of children referred in 2017. 71% were male and 29% were female. 1,249 children were deemed unsuitable for admission in 2018. In 9,324 (56.5%) cases, the child was deemed suitable for admission to the Diversion Programme with 5,149 (31%) cases deemed unsuitable. The remaining 2,018 (12.5%) cases were subject to further investigative inquiries; requests for covering reports, requests for skeleton investigation files, and / or compilation of JLO Suitability Reports as per end of year, 2018. There was a general decrease in the number of restorative justice cautions delivered over the course of 2018 arising from budgetary constraints. This emanated from a decision by Irish Youth Justice Ireland to re-diverted support funding from the Youth Diversion Office to other areas under its remit. An Garda Síochána has initiated a review of funding requirements to support the administration of the Youth Diversion Programme in light of this development.

DEVELOPMENTS IN 2018

In response to the Garda Professional Standards Report on the administration of the Diversion Programme, an examination team was established to examine referrals where children were deemed unsuitable for admission to the Programme and the cases did not proceed before the courts. The work of the examination team is ongoing and it is expected that recommendations will be delivered to address gaps in the youth referral process in 2019.

The Garda Youth Diversion Office (GYDO) benefited from additional Garda staff personnel during 2018 who have been deployed as administrative support to the office. In addition, a new Garda Youth Diversion Bureau structure was proposed and approved and will be established in the first quarter of 2019. In 2018, the Diversion Programme Policy Unit reviewed and developed a number of the Standard Operating Procedures (SOPs) relating to the administration of the Diversion Programme by An Garda Síochána.

The SOPs were developed to provide guidance to Juvenile Liaison Officers and Garda members on generally on standards to be followed when processing youth referrals to the Programme.

The Committee has identified concerns regarding the limitation of the governance of the Garda PULSE functionality and Information Communication Technology (ICT) generally, which poses a challenge to enhancing the governance efficiency of managing referrals to the Diversion Programme. During 2018, a business case was submitted / approved to design a bespoke IT system that will enhance the administration of the Programme and reduce current level of manual processes.

A Children in Care project was trialled in one Garda division during 2018 which helped practitioners and stakeholders to focus on the underlying needs of those in care by prioritising this group and delivering appropriate interventions. This project will be further developed during 2019 in conjunction with colleagues from An Garda Síochána and partners from TUSLA and other service providers. The initiative is a notable example of how different agencies can positively impact upon children's lives.

GARDA YOUTH DIVERSION OFFICE AND NATIONWIDE STRUCTURE

CHALLENGES IN 2018

Staffing levels remain an important issue, and although temporary Garda members were put in place throughout 2018, the ability to adequately support the administration of the Programme remains a concern to the committee.

For a number of years the Irish Youth Justice Service provided a monetary budget to the Director of the Youth Diversion Programme in support of the delivery of Restorative Justice Training, research and administrative support.

The national office tasked with managing referrals to the Diversion Programme is the Garda Youth Diversion Office (GYDO). The office is overseen by a Garda Chief Superintendent.

A Garda Superintendent, the Director of the Diversion Programme, has overall responsibility for deciding on the suitability of a child for admission to the Programme. The Director's role is provided for under section 20 (1) Children Act 2001 and is a statutory position.

GYDO has responsibility for developing policy and guidance on how An Garda Síochána administers the Diversion Programme. In 2018, the office reviewed and updated a number of its Standard Operating Procedures.

The Garda Youth Diversion Office continues to work closely with the Irish Youth Justice Service, Department of Children & Youth Affairs, youth organisations and other stakeholders to identify, share and promote best practice.

4. GARDA YOUTH DIVERSION PROJECTS (GYDPS)

GYDP BEST PRACTICE DEVELOPMENT TEAM

The purpose of the Best Practice Development Team (BPDT) is to achieve better outcomes for young people engaged in Garda Youth Diversion Projects (GYDPS) nationally by supporting the needs of all Youth Justice Workers (YJWs) and developing practice across the network of GYDPs. The need for these supports, initially provided through the Best Practice Initiative (BPI) managed by Foróige, was identified via a baseline analysis of GYDPs (Redmond, 2009). Set up in 2010, the BPI's purpose was to improve practice in GYDPs. In 2015 the Irish Youth Justice Service released funding with support from the Dormant Accounts Fund, to employ two part time workers. This is a unique development within the youth sector with a multi-agency approach in delivering a shared plan for the benefit of the young people who are participants across all Garda Youth Diversion Projects. At the end of 2018, this multiagency team was made up of three full time staff managed by Foróige, Youth Work Ireland Galway and Crosscare, providing supports and delivering training to Youth Justice Workers across all GYDPs.

The work of the BPDT is overseen by a Committee made up of representatives from Irish Youth Justice Service (IYJS), An Garda Síochána (AGS) and representatives from Community Based Organisations (CBOs) managing GYDPs, including Foróige, Youth Work Ireland, Crosscare, Extern and those representing GYDPs managed by independent CBOs. It provides a mechanism for IYJS, An Garda Síochána and CBOs to collaborate with the BPDT on the

development of GYDPs. In addition, the Committee allows for opportunities for learning and information sharing between CBOs, IYJS and An Garda Síochána with a focus on developing practice across the network of GYDPs that will benefit the young people participating on the projects.

DEVELOPMENTS IN 2018

The implementation of restorative practices across all GYDPs was initiated in 2018. Following a literature review and a tendering process, Ulster University (UU) were contracted to develop bespoke training for all GYDPs, in conjunction with the BPDT. In 2019, thirteen YJWs will be trained to deliver training in Restorative Practices to all YJWs.

In response to the practice needs identified by YJWs, the BPDT produced a literature review on 'Anger and young people'. This review identified ways that YJWs can be best supported in addressing this issue with young people.

The 'Together Stronger: Guidelines for effective partnership between Garda Juvenile Liaison Officers and Garda Youth Diversion Projects' was developed following a series of eight regional focus groups with both YJWs and JLOs, in 2017. This was disseminated to all YJWs and JLOs early in 2018. These guidelines aim to develop and improve effective partnerships between Garda Juvenile Liaison Officers and Garda Youth Diversion Projects. It is hoped that this document provides a basis for establishing interagency relationships in each project, in turn supporting better outcomes for young people participating on GYDPs.

5. LOOKBACK AT 2018 – OVERVIEW OF STATISTICS

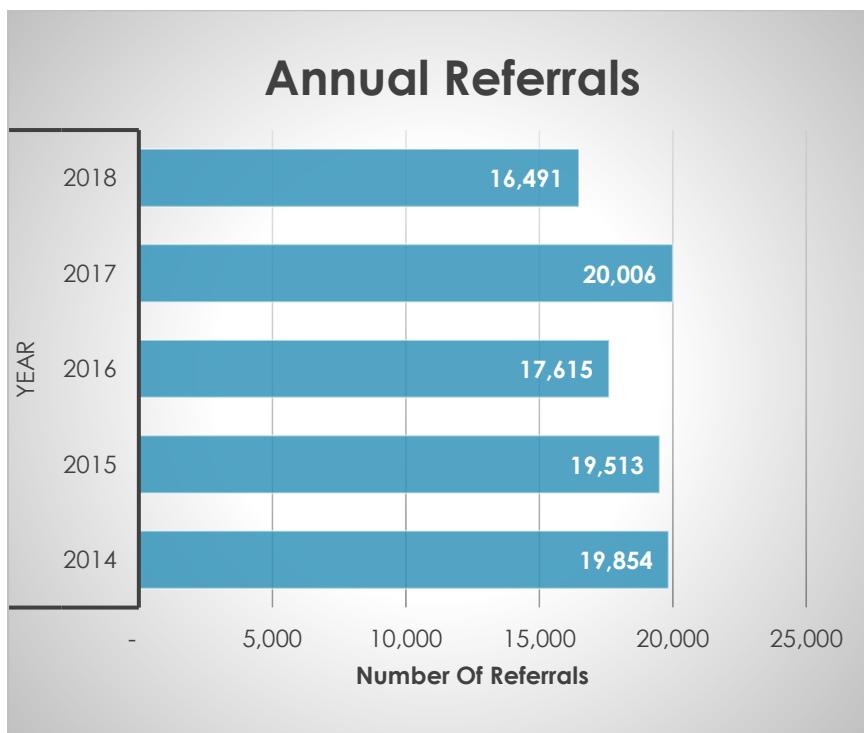

INTERPRETATION OF STATISTICS

<ul style="list-style-type: none">• AGS [GYDO] collect and analyse data on referrals to the Diversion Programme generated from the Garda PULSE System	<ul style="list-style-type: none">• To report on the number of referrals to the Diversion Programme• To assess trends in youth needs• To identify interventions needed	<ul style="list-style-type: none">• Through examining the statistics on the PULSE System, we can highlight issues and promote better practice.	<ul style="list-style-type: none">• Key performance trends have been identified in 3 core areas:• Annual Referrals• Children Referred• Number of children deemed suitable for admission to the Programme

OVERVIEW OF KEY PERFORMANCE TRENDS

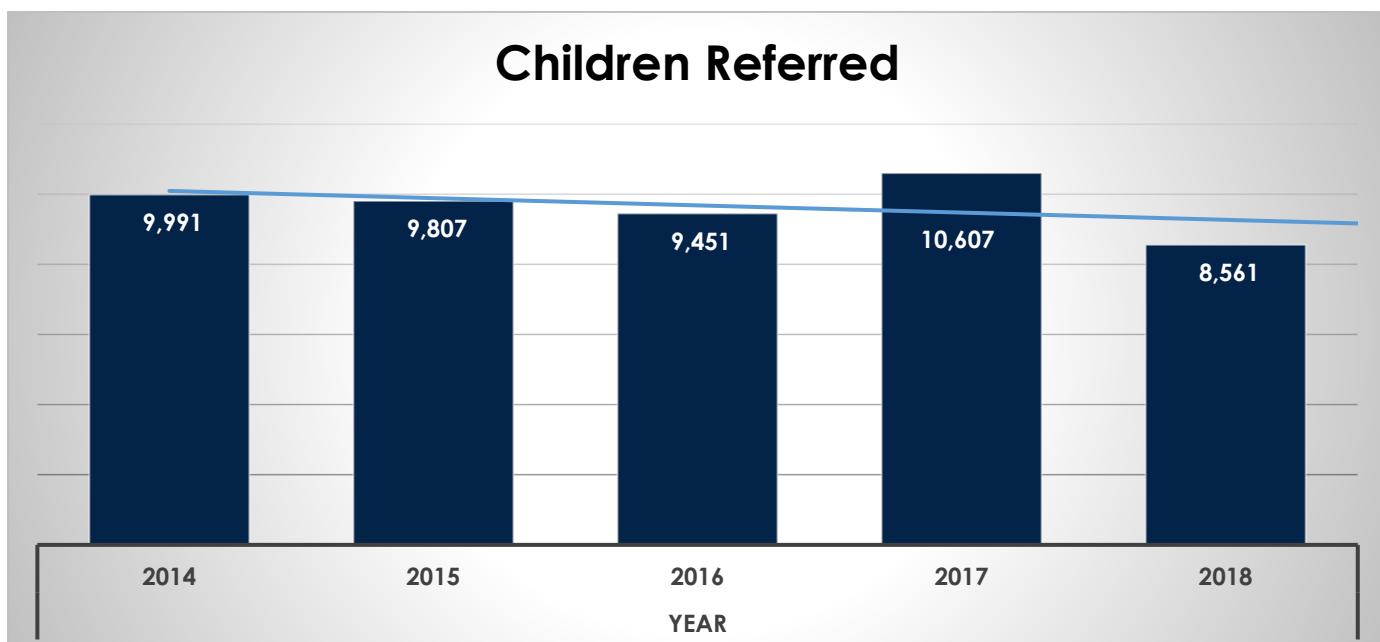

A) Annual Referrals	<ul style="list-style-type: none">• 16,491 referrals in 2018• Decrease of 17.5% on 2017
B) Children Referred	<ul style="list-style-type: none">• 8,561 children referred in 2018• 27% of children were under 15 years of age
C) Suitability for admission to the Programme	<ul style="list-style-type: none">• 1,249 children deemed unsuitable• Decrease of 18% on 2017

A) Annual Referrals

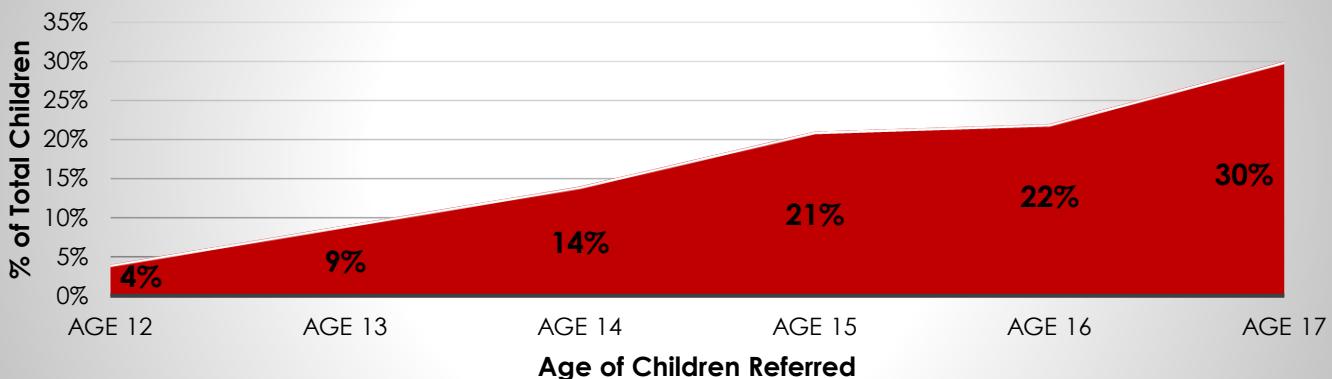

There were 16,491 referrals in 2018, a decrease of 17.5% on 2017. The reduction in referrals may be explained by the introduction of improved governance in February 2018 surrounding the creation of youth referrals on PULSE. These changes to the PULSE system created the requirement for electronic approval to be given by the relevant District Officer on the PULSE incident before a youth referral can be created.

B) Children Referred

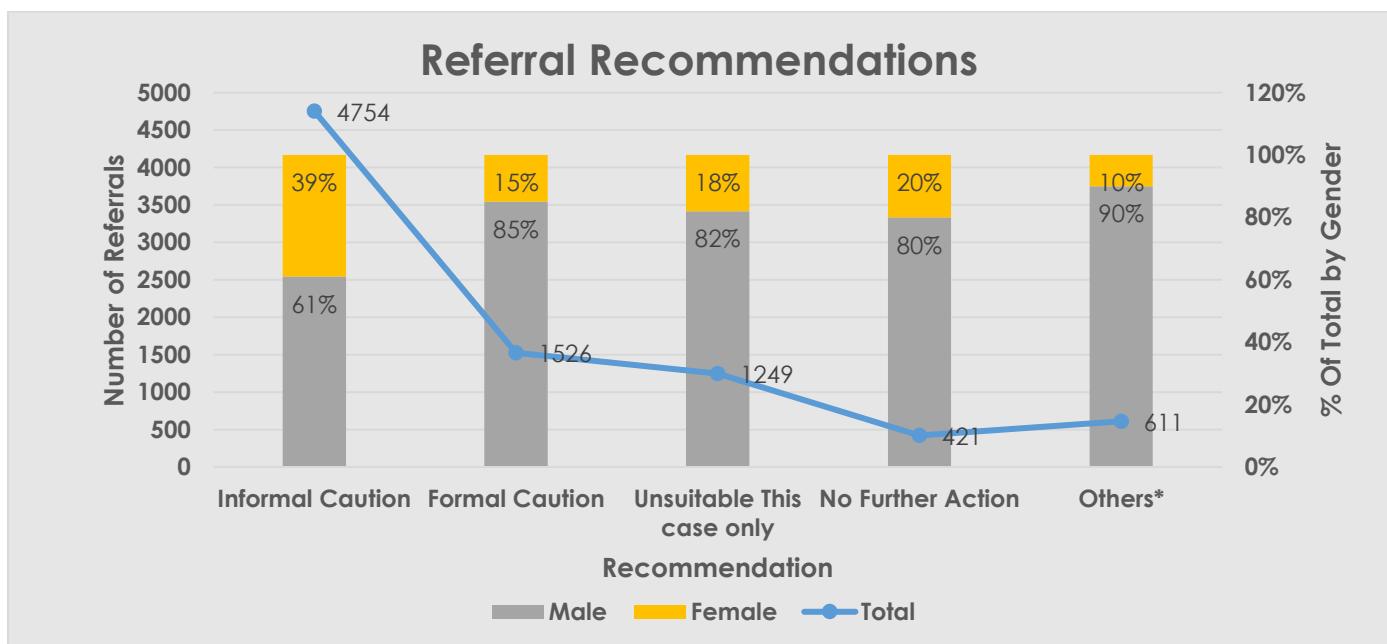

The number of children referred decreased from 10,607 in 2017 to 8,561 in 2018, a decrease of 18%. This is in line with the decrease in overall referrals of 17.5% since 2017.

Age of Children Referred

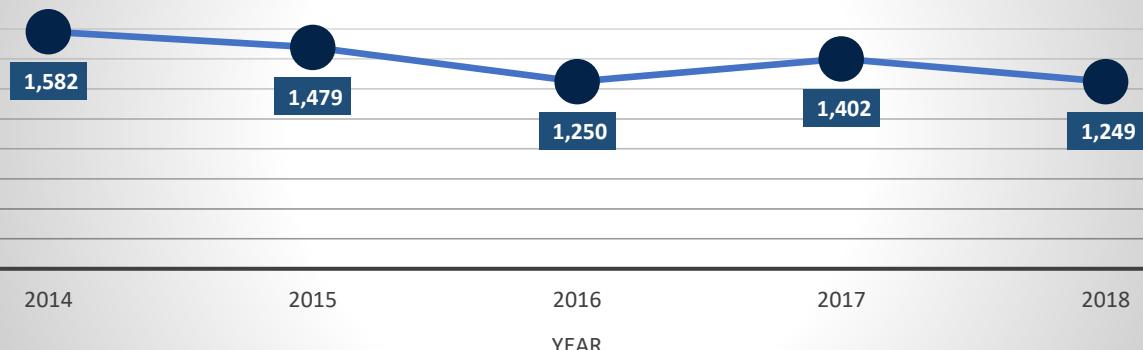

The determining factor for admission to the Programme is the age of the child on the date of the alleged offence. The graph above represents the date of the offence and not the age of the child admitted to the Programme.

C) Suitability for Admission to the Programme

Recommendations of informal and formal cautions relate to the referrals for which the child has been deemed suitable for admission to the Programme. 'Unsuitable This Case Only' means that the child has been deemed not suitable for the Programme. 'No Further Action' relates to the recommendation that no further Garda action is required in relation to the matter. ***'Other' relate to youth referral incidents which were created in late 2018 but had not yet being subject to an determination at the time of statistical generation for the purpose of this Report.

Number of Children Deemed Unsuitable

There was a total of 1,249 children deemed unsuitable for the programme in 2018, down 11% on the 2017 total of 1,402. The proportion of children deemed unsuitable for the programme was 15% in 2018, which is an increase of 2% on 2017 (13% has been the average since 2016).

Referrals (children)deemed unsuitable for admission to the Programme are returned to the Garda District where the alleged offence occurred, these cases are then progressed to final disposal by way of file to Director of Public Prosecutions (DPP), Charge or Summons before the courts.

6. RESTORATIVE JUSTICE

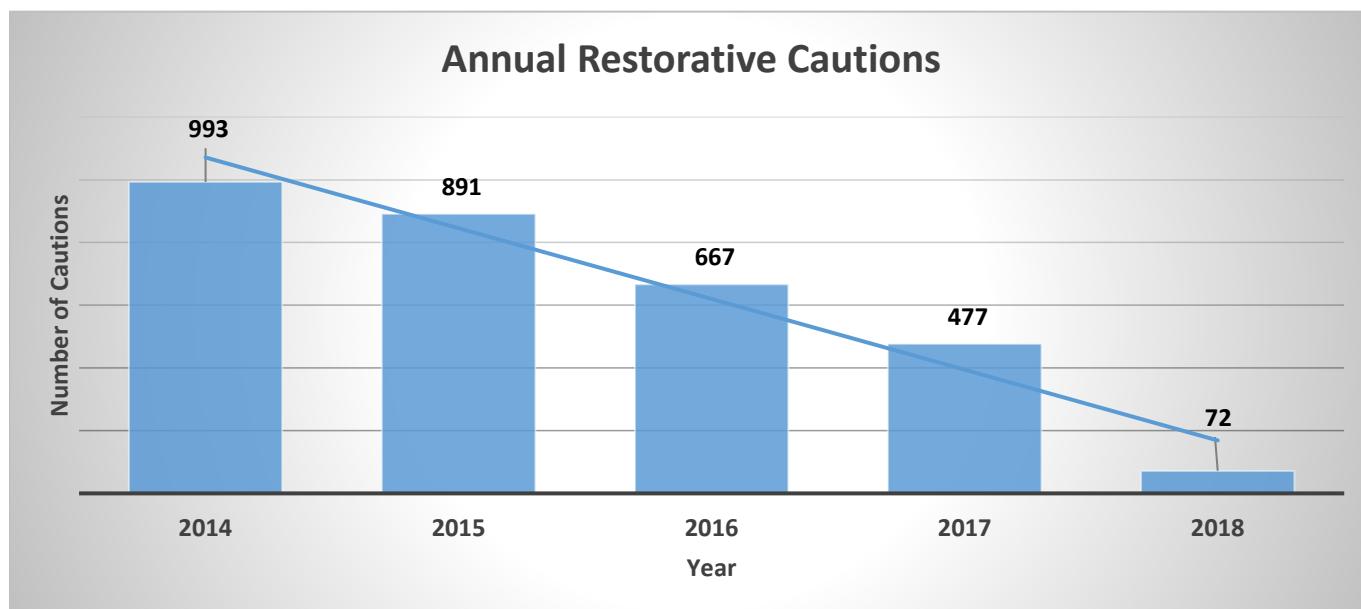

WHAT IS RESTORATIVE JUSTICE?

Restorative justice is a voluntary process where the young person accepts responsibility for their offending behaviour and becomes accountable to those they have harmed. The victim is given the opportunity to have their views represented either by meeting the young person face to face or having their views represented by someone else. Section 26 of the Children Act 2001 provides for the restorative justice caution whilst Section 29 provides that a victim can attend the welfare conference provided for under this section where it is deemed appropriate.

OBJECTIVE OF RESTORATIVE JUSTICE

When a crime is committed, there is harm done to a person or a community. Restorative justice attempts to deal with the harm through a discussion and attempts to bring that harm to the centre of the discussion. It does this by giving a voice to the person who has been affected by the crime. It then creates an opportunity for the offender to repair the harm caused and work towards the prevention of re-offending. The restorative justice process does not concern itself with judging or blaming.

2018 RESTORATIVE JUSTICE STATISTICS

Restorative cautions have been trending downwards since 2014. However, in 2018 there was a further decrease in the number of restorative cautions administered. This decrease is due to a combination of factors such as the continued practice of not recommending restorative cautions in relevant cases arising from legal obligations placed on An Garda Síochána to safeguard the rights of victims in relation to their participation in a restorative justice event under Section 26 of the Criminal Justice (Victims of Crime) Act, 2017 in addition to the withdrawal / re-diverting of funding by Irish Youth Justice Ireland to augment work in other areas of youth diversion / youth development.

7. TRAINING PROVIDED TO JUVENILE LIAISON OFFICERS

The Children Act 2001 places an onus on the Garda Commissioner to provide training to those facilitating the Diversion Programme. It is a task of the Monitoring Committee to assess best practices for the training of facilitators and monitor training delivery. The committee welcomes the delivery of important training programmes to JLOs which are vital to the effectiveness of the Diversion Programme. The following training was delivered to JLOs throughout 2018:

Induction Training

Induction training was delivered to newly appointed JLOs over five days in August 2018 in conjunction with the Garda College in Templemore. The training focused on the legal and statutory obligations underpinning the role. It included instruction on international best practice in the area of youth justice along with guidance on the administrative processes and procedures to be followed when engaging with young offenders.

Continuous Professional Development

Two training seminars for JLOs and GYDO staff were held in the Garda College in 2018. The first took place in June and involved presentations on the role and challenges faced by Family Liaison Officers; dealing with victims of crime and their families; the role of the Victims Liaison Office, the provisions of the Victim's of Crime

Act 2017 and the subsequent responsibilities of An Garda Síochána to victims.

The second seminar day took place in August and consisted of a guest speaker from NIAPP, TUSLA in relation to working with children who have demonstrated harmful sexual behaviour in addition to guest speakers from a number of community based organisations.

Restorative Justice Facilitator Training

In September, 11 participants underwent a three-day training course accredited by the International Institute for Restorative Practices Europe. This course provided JLOs with the skills, knowledge and confidence to facilitate restorative cautions and restorative conferences.

Presentation Skills

In November, training on presentation skills was delivered to 27 JLOs. This training focused on the practical skills of presenting and introduced the JLO to the processes involved in the creation and delivery of a presentation.

Interviewing Skills

12 JLOs completed a one-day training course in relation to interviewing techniques.

8. DEVELOPMENTS IN 2018

PULSE Release 7.3

In February, a major change to the youth referral process was introduced with ‘PULSE Release 7.3’ by the implementation of an approval layer within the youth referral process on PULSE. The change introduced a new electronic process within PULSE for confirmation of the existence of *prima facie* evidence against the child before approval is then given for a youth referral to be created at District Officer level. The purpose of this change was to introduce increased governance at district level in relation to the creation of youth referrals and now means that youth referrals cannot be created without the case having been reviewed by a District Officer or by a Performance and Accountability Framework (PAF) Administrator on their behalf.

Additional Resources at GYDO

One Assistant Principal Officer, one Higher Executive Officer and three Executive Officers joined GYDO on a permanent basis and were deployed to policy development, governance and administrative support to the office. In late 2018, three newly appointed Garda Sergeants were allocated to GYDO on a permanent basis. Three Garda members were also allocated on temporary transfer to assist with new governance processes deployed at GYDO to increase the monitoring capabilities of the office in relation to the progression of referrals nationally.

Children in Care

Children living in residential state care are among the most vulnerable people with whom members of An Garda Síochána come

into contact. In 2018, GYDO trialled a divisional pilot scheme aimed at children living in state residential care who may have committed offences. This pilot scheme brought together key figures in the lives of children in care who had been referred to the Diversion Programme. Working with the child’s appointed JLO, staff from GYDO liaised with care workers, doctors, psychologists, social workers and TUSLA to ensure the welfare of the child and to understand the facts and potential triggers around their offending behaviour. Following the results of the preliminary pilot, it is proposed that in Quarter 3, 2019, the scheme will be extended nationally to all children living in residential state care.

The GYDO pilot scheme pre-empted two substantial reports in the UK and in Ireland. The first, a UK policy document published jointly by the Department of Education, Home Office, and Ministry of Justice firmly established that children in care are among the most vulnerable populations and should be diverted away from the criminal justice system, wherever possible. In Ireland, GYDO contributed to the Irish Penal Reform Trust’s report on “Care and Justice”, a study of the over-representation of children in care in the criminal justice system.

Diversion Programme Policy Unit

In addition to leading the roll out of the Children in Care pilot scheme, in 2018, the Diversion Programme Policy Unit reviewed and began developing a number of additional Standard Operating Procedure (SOP) guideline documents relating to the administration of the Diversion Programme.

The purpose of these procedural documents is to provide guidance to Juvenile Liaison Officers [JLOs] and Garda Personnel generally on standards to be followed when processing youth referrals to the Programme. Development of these documents continued throughout 2018 and involved both desktop and primary research which included conducting focus groups with Juvenile Liaison Officers across 4 Garda regions. Development of these procedural documents will continue in 2019 and it is planned that they will be disseminated to the wider organisation by the end of Quarter 2 2019.

Governance and Accountability

With the increase in both Garda and Garda staff resources of supervisory rank at GYDO, improved quality assurance processes have been introduced to the procedures surrounding the processing of youth referrals. In September, the allocation of three Gardai on temporary transfer allowed for the establishment of a team with the sole purpose of monitoring the progression of referrals from the creation of the referral, through to creation of a charge/summons or file being sent to the Director of Public Prosecutions [DPP] if a child was subsequently deemed unsuitable for admission to the Diversion Programme. This oversight function also includes the issuing of reminders to Garda Districts seeking responses to requests for additional information by GYDO and reviewing those which are outstanding over a certain time period.

It is proposed that in 2019, a team from GYDO will provide guidance to Chief Superintendents and Superintendents at divisional meetings on their governance and accountability role in relation to the administration of the Diversion Programme at both divisional and district level.

To support the ability of GYDO to deliver on its responsibility for national oversight and governance of the administration of the Diversion Programme, a proposal for the approval of the design of a bespoke IT system has been submitted to senior management in An Garda Síochána. In addition, a new Garda Youth Diversion Bureau structure was proposed and approved and will be established in Quarter 1 2019. This will involve the establishment of the Operational Directing Office and the Diversion Programme Policy and Governance Office, in addition to the current offices of the Garda Diversion Projects Office and Garda Age Card Office, all of which will ultimately report to the Chief Superintendent of the Garda Youth Diversion Bureau.

9. CHALLENGES IN 2018

Outcome of Garda Professional Standards Unit (GPSU) Report and subsequent Youth Referral Examination

Following a review of GYDO by the GPSU, a number of issues were identified that gave rise to concern and subsequently a special review team was established to conduct a deep exploration of those issues over the period of 2010-2017. Of particular concern was the non-progression of cases before the courts following a child having been deemed unsuitable for admission to the Diversion Programme.

The examination by the special review team continued throughout 2018 and the final report is expected in 2019. During this period, there has been continuous engagement between the review team and GYDO which has resulted in the introduction of improved governance processes and the establishment of the monitoring team within GYDO. Other outcomes of this ongoing examination are the proposed restructuring of GYDO and the development of Standard Operating Procedures for all aspects of the Diversion Programme.

Until this report is completed and its recommendations acted upon, the issues raised during the review will continue to present as key challenges to the effective administration of the Diversion Programme going forward.

Staffing Levels at the GYDO

Although the allocation of Garda staff of various grades and three Garda Sergeants to GYDO during the latter part of 2018 is welcomed by the committee, staffing levels at GYDO remain a

challenge to the effective administration of the Diversion Programme. All except one Garda member are temporary resources and the three Sergeants allocated to the office filled positions which had been vacant since 2017 rather than increasing the capacity of the office. It is envisaged that efforts will be intensified to regularise this matter over the course of 2019.

Budgetary Requirements

For a number of years, the Irish Youth Justice Service provided a substantial budget to the Diversion Programme to support the delivery of training and research. However, this support was withdrawn in 2018. The vacuum created by the non-availability of funding from Irish Youth Justice Services resulted in a significant reduction in the operational capability of the GYDO and the ability to fully implement on the recommendations of the Monitoring Committee in its 2017 Report.

A 'Business Case' for the provision of a [substitute] budget to support the Diversion Programme will be compiled and submitted to the Garda Executive Team for approval in an effort to maintain a continuity of service regarding the restorative justice approached implemented by the GYDO.

National Vetting Bureau (Children and Vulnerable Persons) Acts 2012-2016

An anomaly has arisen in the current legislative framework in respect of the disclosure of a criminal conviction of a child as per Section 258 of the Children Act 2001 for the purposes of vetting, but a child's admission to the Diversion

Programme can be disclosed under the Section 258 of the National Vetting Bureau (Children and Vulnerable Persons) Act, 2012 – 2016 which stipulates a legislative basis for the mandatory vetting of persons who wish to undertake certain work or activities relating to children or vulnerable persons or to provide certain services to children or vulnerable persons.

The Act provides for the provision of ‘specified information’ where potential ‘bona fide’ concerns exist regarding children or vulnerable persons, thus presenting a challenge to JLOs working with children and their families.

An Internal Working Group has been established within An Garda Síochána to examine and review the issues of concern arising in this matter and to liaise with the Department of Justice & Equality to resolving such matters.

10. RECOMMENDATIONS OF THE COMMITTEE

The Section 44 Monitoring Committee appointed to monitor the effectiveness of the Diversion Programme makes the following recommendations;

1. Continued engagement to occur between GYDO and the special review team established to examine issues identified in the GPSU report of GYDO and subsequent implementation of recommendations made by the special review team's report when complete in 2019.

2. Develop enhanced reporting to support the governance and monitoring function of GYDO enabling GYDO to be more effective and targeted in their monitoring of youth referrals.

3. Continue the development and review of standard operating procedures to standardise practice among Juvenile Liaison Officers.

4. Promote the Diversion Programme within An Garda Síochána and inform all members of their roles and responsibilities in relation to the Programme through regional management briefings, Garda Portal updates, targeted training and dissemination of guideline documents on all aspects of the Programme.

5. Develop a restorative Justice strategy to promote and enhance the administration and effectiveness of restorative cautions.

6. Continue to improve upon the allocation of resources (including budget) to support the Garda Youth Diversion Office develop an effective operating model within the national office and the subsequent effective administration of the Diversion Programme.

7. Review the effectiveness and impact of the Children in Care project and further develop the scope of the project in 2019.

1. TEACHTAIREACHT Ó CHATHAOIRLEACH AN CHOISTE

A Choimisinéir, a chara,

Is mór an pléisiúr dom, mar chathaoirleach an Choiste Monatóireachta a ceapadh faoi alt 44(1) d'Acht na Leanaí, 2001, an Tuarascáil Bhliantúil na bliana 2018 a chur i láthair.

Seo mo chéad bhliain sa phost agus thug an ról deis dom idirchaidreamh a dhéanamh le baill Choiste Alt 44 agus leis an bhfoireann ag Oifig Athstiúrtha Óige an Gharda Síochána (an GYDO) chun oibriú le chéile le héifeachtacht an Chláir Athstiúrtha a chinntiú.

Cruthaíonn an Clár Athstiúrtha deis uathúil don Gharda Síochána chun idirchaidreamh a dhéanamh le daoine óga agus treoir agus tacaíocht a sholáthar dóibh chun dul i ngleic lena n-iompar agus chun roghanna dearfacha a dhéanamh. Uirlis ríthábhachtach um chosc na coireachta atá sa Chláir agus is sócmhainn thábhachtach í don Gharda Síochána. Is mian liom, i mo ról mar Chathaoirleach an Choiste, béim a leagan ar an tsárobair atá á déanamh acu siúd go léir atá bainteach le hoibriú an Chláir Athstiúrtha ar bhonn laethúil agus tiomantas leanúnach an Gharda Síochána a chinntiú chun tacú leis an gClár chun na leibhéal is airde de chálíocht agus éifeachtacht a bhaint amach.

Cuireann an Coiste Monatóireachta tacaíocht ar fáil don Chláir Athstiúrtha agus don GYDO trí limistéir a shainaithint agus a thabhairt chun solais ar féidir feabhas a chur orthu agus trí mholtáí a dhéanamh lena chinntiú go leanann an Clár Athstiúrtha a bheith mar bhealach éifeachtach chun leanaí a athstiúradh ón gcoireacht agus ón gcóras dlí choiriúil. Léirítear i dTuarascáil Bhliantúil 2018 gníomhaíochtaí an Choiste Mhonatóireachta agus an Chláir Athstiúrtha i rith 2018. Leagtar béim inti ar na forbairtí a rinneadh i rith na bliana agus aithnítear na dúshlán agus na rioscaí reatha atá ann don Chláir Athstiúrtha agus tugtar staitisticí inti maidir le hoibriú an Chláir in 2018. I ndiaidh monatóireacht a dhéanamh ar éifeachtacht an Chláir Athstiúrtha le linn 2018, trí chruinnithe an Choiste agus idirchaidreamh leis an GYDO, leagadh roinnt moltaí amach don bhliain 2019.

Ba mhaith liom an deis seo a ghlacadh chun mo bhúiochas ó chroí a ghabháil le Stiúrthóir an Chláir Athstiúrtha, an fhoireann ag Oifig Athstiúrtha Óige an Gharda Síochána agus gach Oifigeach Idirchaidrimh don Óige ar fud na tíre, as a dtiomantas leanúnach d'athstiúradh óige i gcaitheamh 2018. Is mian liom buíochas a ghabháil, chomh maith, le Seirbhís Anailíse an Gharda Síochána as staitisticí an Chláir Athstiúrtha do 2018 a sholáthar. Ar deireadh, ba mhaith liom buíochas a ghabháil le baill Choiste Monatóireachta Alt 44; An Dr Jennifer Carroll MacNeill, An tUasal Eddie D'Arcy agus An tArd-Cheannfort Colette Quinn as a n-iarrachtaí agus a dtiomantas i gcaitheamh na bliana.

3. ACHOIMRE FEIDHMIÚCHÁIN

SRACFHÉACHAINT AR STATISTICÍ

Atreoraíodh 16,491 duine óg chuig an gClár Athstiúrtha in 2018. Is ionann seo agus laghdú 17.5% anuas ó fhigiúirí atreoraithe 2017, arbh ionann iad agus 20,006. Ba é líon na leanaí a atreoraíodh 8,561, arb ionann sin agus laghdú 19% ar líon na leanaí a atreoraíodh in 2017. Buachaillí a bhí i gceist le 71% díobh agus cailíní a bhí i gceist le 29% díobh. Measadh nach raibh 1,249 leanbh oiriúnach le cead isteach a thabhairt dóibh in 2018. I 9,324 (56.5%) cás, measadh go raibh an leanbh oiriúnach le cead isteach a thabhairt dó/di chuig an gClár Athstiúrtha agus measadh nach raibh 5,149 (31) cás oiriúnach.

FORBAIRTÍ IN 2018

Mar fheagairt do Thuarascáil ar Chaighdeán Ghairmiúla an Gharda Síochána ar riar an Chláir Athstiúrtha, bunaíodh foireann scrúdaithe chun scrúdú a dhéanamh ar atreoruithe inar measadh nach raibh leanaí oiriúnach le cead isteach a thabhairt dóibh chuig an gClár agus níor leanadh ar aghaidh leis na cásanna os comhair na gcúirteanna. Tá obair na foirne scrúdaithe ar siúl i gcónai agus tá súil leis go gcuirfear moltaí ar fáil chun dul i ngleic le bearnaí sa phróiseas atreoraithe óige in 2019.

Bhain Oifig Athstiúrtha Óige an Gharda Síochána (an GYDO) tairbhe as pearsanta breise foirne an Gharda Síochána i rith 2018 a rinneadh a imlonnú mar thacaíocht riarracháin leis an oifig. Anuas air sin, rinneadh struchtúr nua Bhiúró Athstiúrtha Óige an Gharda Síochána a bheartú agus a fhaomhadh agus bunófar é sa chéad ráithe in 2019. In 2018, rinne Aonad Beartais an Chláir Athstiúrtha roinnt Buan-Nósanna Imeachta Oibriúcháin (BNIOanna) a athbhreithniú agus a forbairt a bhaineann le riar an Chláir Athstiúrtha ag an nGarda Síochána.

Forbraíodh na buan-nósanna imeachta oibriúcháin chun treoir a sholáthar d'Oifigigh Idirchaidrimh don Óige agus do chomhaltaí an Gharda Síochána go ginearálta ar chaighdeáin a bhfuiltear le cloí leo nuair a bhíonn atreoruithe óige á bpróiseáil leis an gClár.

Tá ábhar buartha aitheanta ag an gcoiste maidir le rialachas fheidhmíochta PULSE an Gharda Síochána agus Theicneolaíocht Cumarsáide Faisnéise (TFC) go ginearáta a theorannú, gur dúshlán é chun éifeacht rialachais a fheabhsú i dtaobh atreoruithe go dtí an Clár Athstiúrtha. I rith 2018, seoladh cás gnó ar aghaidh agus ceadaíodh é chun córas TF saincheaptha a dhearadh a chuirfidh feabhas ar riar an Chláir agus a laghdóidh an leibhéal reatha de phróisis de láimh.

Baineadh trial as tionscadal Leanaí i gCúram i roinn amháin den Gharda Síochána i rith 2018 a chabhraigh le cleachtóirí agus páirtithe leasmhara chun síúl i gcúram trí thús áite a thabhairt don ghrúpa seo agus idirghabháil chuí a sholáthar. Déanfar forbairt bhereise ar an tionscadal seo i rith 2019 i gcomhar le comhghleacaithe ón nGarda Síochána agus compháirtithe ó TUSLA agus soláthraithe seirbhíse eile. Sampla suntasach é an tionscnamh den bhealach is féidir le gníomhaireachtaí éagsúla tionchar dearfach a imirt ar shaol leanaí.

DÚSHLÁIN IN 2018

Príomh-shaincheist tábhachtach go fóill is ea leibhéal soláthair foirne, agus cé go raibh comhalaí sealadacha an Gharda Síochána ag feidhmiú ó thús deireadh 2018, ábhar buartha go fóill don choiste is ea an cumas chun tacú go leordhóthanach le riar an Chláir.

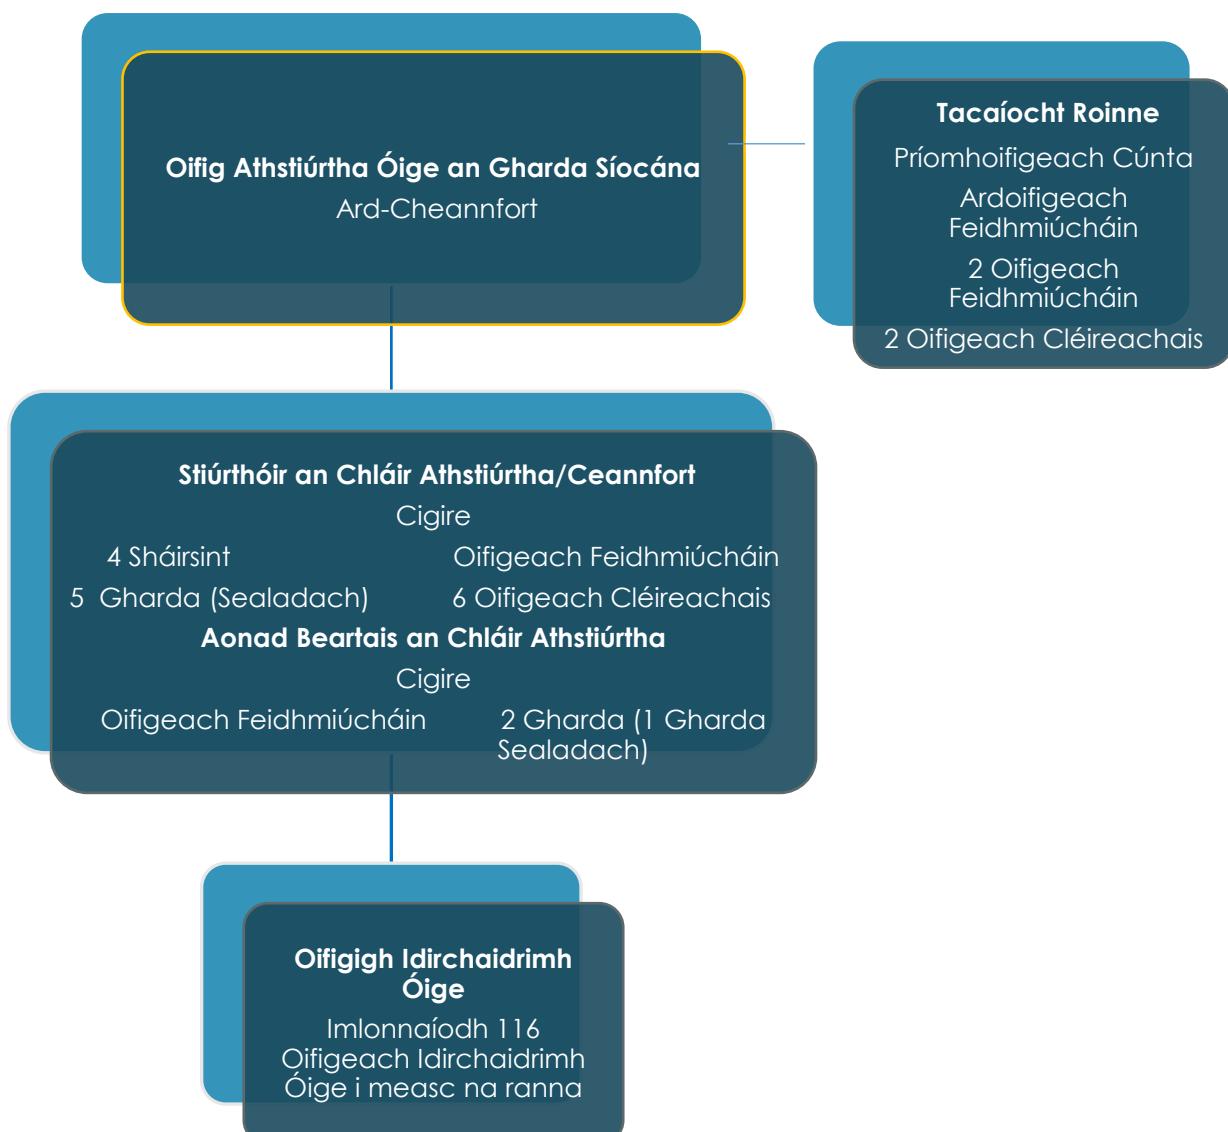

Chuir Seirbhís na hÉireann um Cheartas i leith an Aosa Óig buiséad airgid ar fáil ar feadh roinnt blianta do Stiúrthóir Chláir Athstiúrtha an Aosa Óig chun tacú le seachadadh oiliúna, taighde agus tacaíocht riarracháin an Cheartas Aisíríoch.

4. OIFIG ATHSTIÚRTHA ÓIGE AN GHARDA SÍOCHÁNA AGUS AN STRUCHTÚR AR FUD NA TÍRE

Is í an oifig náisiúnta a bhfuil an tasc aici chun atreoruithe a bhainiú chuig an gClár Athstiúrtha ná Oifig Athstiúrtha Óige an Garda Síochána (an GYDO). Déanann Ard-Cheannfort Garda maoirseacht ar an oifig. Tá freagracht, ar an iomlán, ar Cheannfort Garda, Stiúrthóir an Chláir Athstiúrtha, as cinneadh a dhéanamh faoi oiriúnacht linbh maidir le cead isteach a thabhairt chuig an gClár a thabhairt dó/di. Foráiltear do ról an stiúrthóra faoi alt 20 (1) den Acht Leanaí, 2001 agus is post reachtúil é.

Tá an GYDO freagrach as beartas agus treoir a phorbairt maidir le conas a riarrann an Garda Síochána an Clár Athstiúrtha. In 2018, rinne an oifig athbhreithniú agus nuashonrú ar líon dá Buan-Nósanna Imeachta Oibriúcháin.

Leanann Oifig Athstiúrtha Óige an Garda Síochána ag oibriú go dlúth le Seirbhís na hÉireann um Cheartas i leith an Aosa Óig, an Roinn Leanaí agus Gnóthaí Óige, eagraíochtaí óige agus páirtithe leasmhara eile chun dea-chleachtas a shainaithint, a roinnt agus a chur chun cinn.

5. TIONSCADAIL ATHSTIÚRTHA ÓIGE AN GHARDA SÍOCHÁNA (TAÓGSANNA)

FOIREANN FORBARTHA DEA-CHLEACHTAIS AN TAÓGS

Is é cuspóir na Foirne Forbartha Dea-Chleachtais (an FFDC) chun torthaí níos fearr a bhaint amach do dhaoine óga a bhfuil páirt á glacadh acu i dtionscadail Athstiúrtha Óige an Gharda Síochána (TAÓGSanna) go náisiúnta trí thacú le riachtanais gach Oibrí Ceartais i leith an Aosa Óig (OCAÁanna) agus cleachtas a phorbairt i measc an lónra GYDPanna. Aithníodh go raibh gá leis na tacaíochtaí seo, a cuireadh ar fáil i dtosach tríd an Tionscnamh Dea-Chleachtais (an TDC) a bhainistigh Foróige, trí anailís bhonnlíne a rinneadh ar TAÓGSanna (Redmond, 2009). Bunaíodh é in 2010 agus ba é cuspóir an TDC chun feabhas a chur ar cleachtas in TAÓGSanna. In 2015, scaoil Seirbhís na hÉireann um Cheartas i leith an Aosa Óig le cistiú le tacaíocht ó Chiste na gCuntas Díomhaoin, chun beirt oibrithe páirtaimseartha a fhostú. Forbairt uathúil é seo laistigh den earnáil óige a bhfuil cur chuige ilghníomhaireachta aige chun pleán comhroinnte a sholáthar ar mhaithleis na dhaoine óga ar rannpháirtithe iad i measc Thionscadal uile Athstiúrtha Óige an Gharda Síochána. Ag deireadh 2018, bhí triúr foirne lánamseartha a bhainistigh Foróige, Obair d'Ógra Éireann, Gaillimh agus Crosscare san fhoireann ilghníomhaireachta seo, a sholáthair tacaíochtaí agus oiliúint d'Oibrithe Ceartais i leith an Aosa Óig i measc na TAÓGSanna go léir.

Déanann Coiste ina bhfuil ionadaithe ó Sheirbhís na hÉireann um Cheartas i leith an Aosa Óig (SÉCAÓ), an Garda Síochána (an GS) agus ionadaithe ó eagraíochtaí pobalbhunaithe (EPBanna) a bhainistíonn TAÓGSanna, Foróige, Obair d'Ógra Éireann, Crosscare, Extern agus iad siúd a dhéanann ionadaíocht do TAÓGSanna a bhainistíonn EPBanna, obair an FFDC a mhaoirsíú. Cuireann sé meicníocht ar fáil do SÉCAÓ, an GS agus gach EPB chun comhoibriú a dhéanamh leis an FFDC maidir le TAÓGSanna a phorbairt.

Anuas air sin, cuireann an Coiste deiseanna ar fáil chun foghlaim agus eolas a roinnt idir EPBanna, SÉCAÓ agus an GS agus díriú ar chleachtas a phorbairt ar fud an lónra TAÓGSanna a rachaidh chun sochair na ndaoine óga a ghlaicann páirt sna tionscadail.

FORBAIRTÍ IN 2018

Cuireadh túis le cleachtais aisiríocha a chur i bhfeidhm ar fud na TAÓGSanna go léir in 2018. I ndiaidh go ndearnadh athbhreithniú ar litríocht agus i ndiaidh próiseas tairisceana, bronnadh conradh ar Ollscoil Uladh (OU) chun oiliúint shaincheaptha a phorbairt do gach TAÓGS, i gcomhar leis an FFDC. In 2019, curfear oiliúint ar thriúr déag OCAÁanna chun oiliúint a sholáthar i gCleachtais Aisiríocha do gach OCAÁ.

Mar fhreagairt do na riachtanais cleachtais a shaináithin OCAÁanna, rinne an FFDC athbhreithniú litríochta a chur le chéile ar 'Fearg agus daoine óga'. Sainaithníodh san athbhreithniú seo na bealaí is fearr is féidir tacú le OCAÁanna chun dul i ngleic leis an tsaincheist seo le daoine óga.

Forbraíodh 'Together Stronger: Treoirlínte do Chomhpháirtíochta Éifeachtach idir Oifigigh Idirchaidrimh don Óige an Gharda Síochána agus Tionscadail Athstiúrtha Óige an Gharda Síochána' i ndiaidh sraith ocht ngrúpa fócais réigiúnacha le OCAÁanna agus OIÓanna, in 2017. Scaipeadh é seo ar gach OCAÁ agus OIÓ go luath in 2018. Tá mar chuspóir ag na treoirlínte seo chun comhpháirtíochtaí éifeachtacha a phorbairt agus a fheabhsú idir Oifigigh Idirchaidrimh don Óige an Gharda Síochána agus Tionscadail Athstiúrtha Óige an Gharda Síochána. Tá súil leis go gcuireann an cháipéis seo bonn ar fáil chun caidreamh idirghníomhaireachta a bhunú i ngach tionscadal, a thacóidh, ar a uain sin, le torthaí níos fearr do dhaoine óga a ghlaicann páirt in TAÓGSanna.

STATISTICÍ A LÉIRMHÍNIÚ

Cad atá á léirthuiscint againn?

- Déanaimid sonraí a bhaillú agus a analísiú faoi atreoruithe a dhéantar chugt an gClár Athstíúrtha a ghintear ó Chóras PULSE an Gharda Siochána

Cén fáth a bhfuil na sonraí seo á scrúdú againn?

- Tuairisciú a dhéanamh ar an lín atreoruithe chugt an gClár Athstíúrtha
- Measúnú a dhéanamh ar threochtaí i measc riachtanais óige
- Idirghabháil a shainaitheant a theastaíonn

Cén luach a bhaineann leis na sonraí seo a léirthuiscint?

- Trí na staitisticí ar chóras PULSE a scrúdú, is féidir linn saincheisteanna a thabhairt chun solais agus cleachtas níos fearr a chur chun cinn.

Cad iad na príomhthreochtaí feidhmíochtaí?

- Sainiúthíodh príomhthreochtaí feidhmíochtaí in 3 chroílimistéar:
 - Atreoruithe Blianúla
 - Leanaí a Atreoraíodh
 - Lín na leanaí a meastar atá oiriúnach le cead isteach a thabhairt dóibh chugt an gClár

LÉARGAS GINEARÁLTA AR PHRÍOMHTHREOCHTAÍ FEIDHMÍOCHTA

A) Atreoruithe Blianúla

- 16,491 atreorú in 2018
- Laghdú 17.5% anuas ó 2017

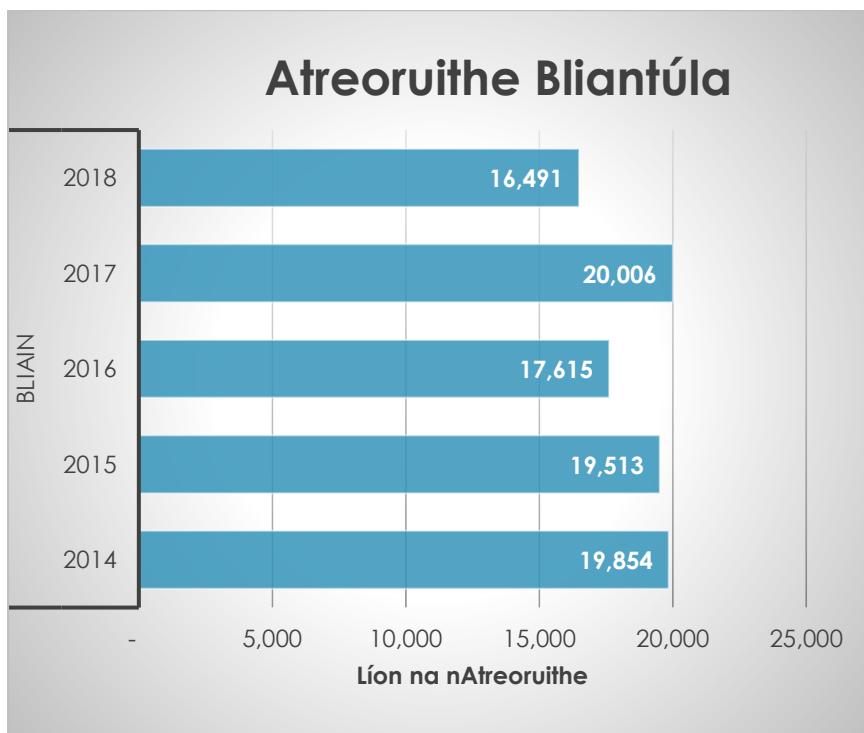

B) Leanaí a Atreoraíodh

- Atreoraíodh 8,561 leanbh in 2018
- Bhí 27% de na leanaí faoi 15 bliana d'aois

C) Oiriúnacht chun an Clár a iontráil

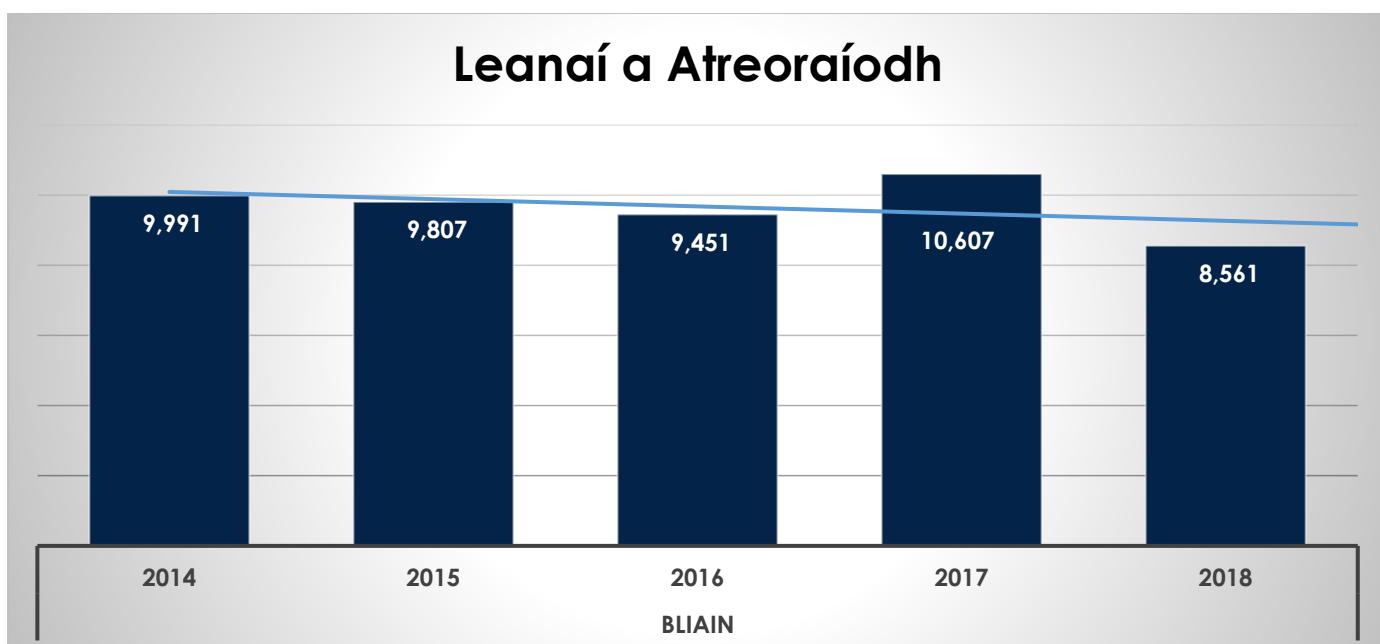

- Measadh nach raibh 1,249 leanbh oiriúnach
- Laghdú 18% anuas ó 2017

A) Atreoruithe Bliantúla

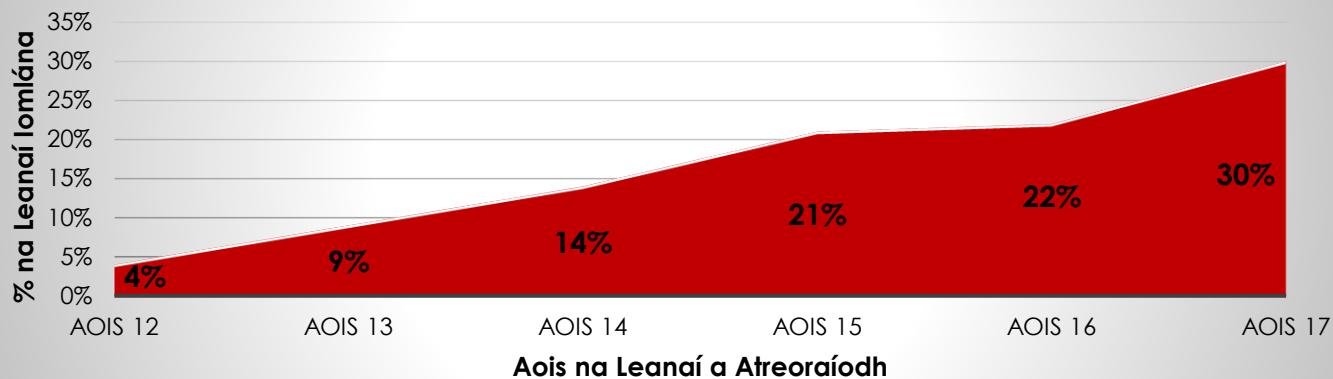

Rinneadh 16,491 atreorú in 2018, arb ionann sin agus laghdú 17.5% anuas ó líon atreoruithe 2017. Is féidir an laghdú ar atreoruithe a mhíniú trí rialachas feabhsaithe a thabhairt isteach i bhFeabhra 2018 a bhaineann le hathreoruithe óige a chruthú ar PULSE. Chruthaigh na hathruithe seo ar chóras PULSE an riachtanas go dtugann an tOifigeach Ceantair imscrúdaithe faomhadh leictreonach don teagmhas ar PULSE sular féidir atreorú óige a chruthú.

B) Leanaí a Atreoraíodh

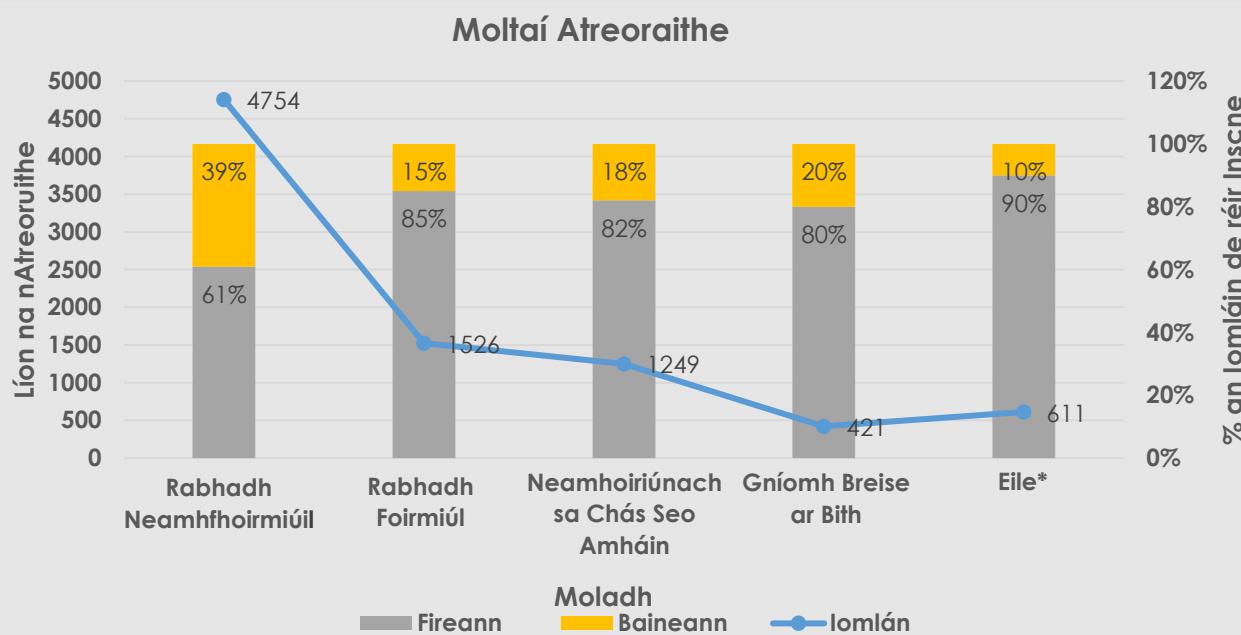

Tháinig laghdú ar an líon leanaí a atreoraíodh anuas ó 10,607 in 2017 go dtí 8,561 in 2018. Is ionann seo agus laghdú 18%. Tá seo ar aon dul leis an laghdú a tháinig ar atreoruithe foriomlána 17.5% ó bhí 2017 ann.

Aois na Leanaí a Atreoraíodh

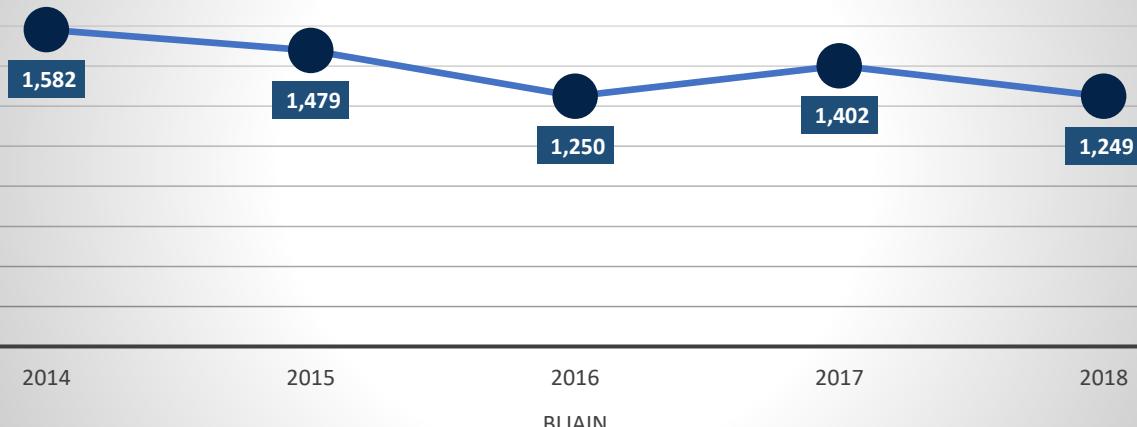

Is é an toisc a chinneann cead isteach chuig an gClár ná aois an linbh ar dháta an chiona líomhnaithe. Léirítear sa ghraf thuas dáta an chiona, seachas aois an linbh ar tugadh cead isteach dó/di chuig an gClár.

C) Oiriúnacht chun Cead Isteach a thabhairt chuig an gClár

Baineann moltaí maidir le rabhaidh neamhfoirmiúla agus fhoirmiúla le hatreoruithe ar measadh go raibh an leanbh oiriúnach le cead isteach a thabhairt dó/di chuig an gClár. Ciallaíonn ‘Neamhoiriúnach sa Chás seo Amháin’ nach meastar go bhfuil an leanbh oiriúnach don Chláir. Baineann ‘Gníomh Breise ar Bith’ leis an moladh nach gá don Gharda Síochána gníomh breise a dhéanamh maidir leis an gceist.

Líon na Leanaí a Measadh a bhí Neamhoiriúnach

Measadh go raibh 1,249 leanbh, ar an iomlán, neamhoiriúnach don chlár in 2018, ar laghdú 11% é seo ar iomlán 1,402 in 2017. B'ionann an chomhréir leanaí a measadh a bhí neamhoiriúnach don chlár agus 15% in 2018, ar méadú 2% é seo i gcomparáid le 2017 (ba é 13% an meán ó 2016 ar aghaidh).

Seoltar atreoruithe (leanaí) a mheastar atá neamhoiriúnach le cead isteach a thabhairt dóibh chuig an gClár ar ais chuig Ceantar an Gharda Síochána ina líomhnaítear gur tharla an cion, tugtar na cásanna seo ar aghaidh ansin a fhad le diúscairt deiridh trí chomhad a sheoladh chuig an Stiúrthóir Ionchúiseamh Poiblí (an SIP), Cúiseamh nó Toghairm os comhair na gcúirteanna.

7. CEARTAS AISIRÍOCH

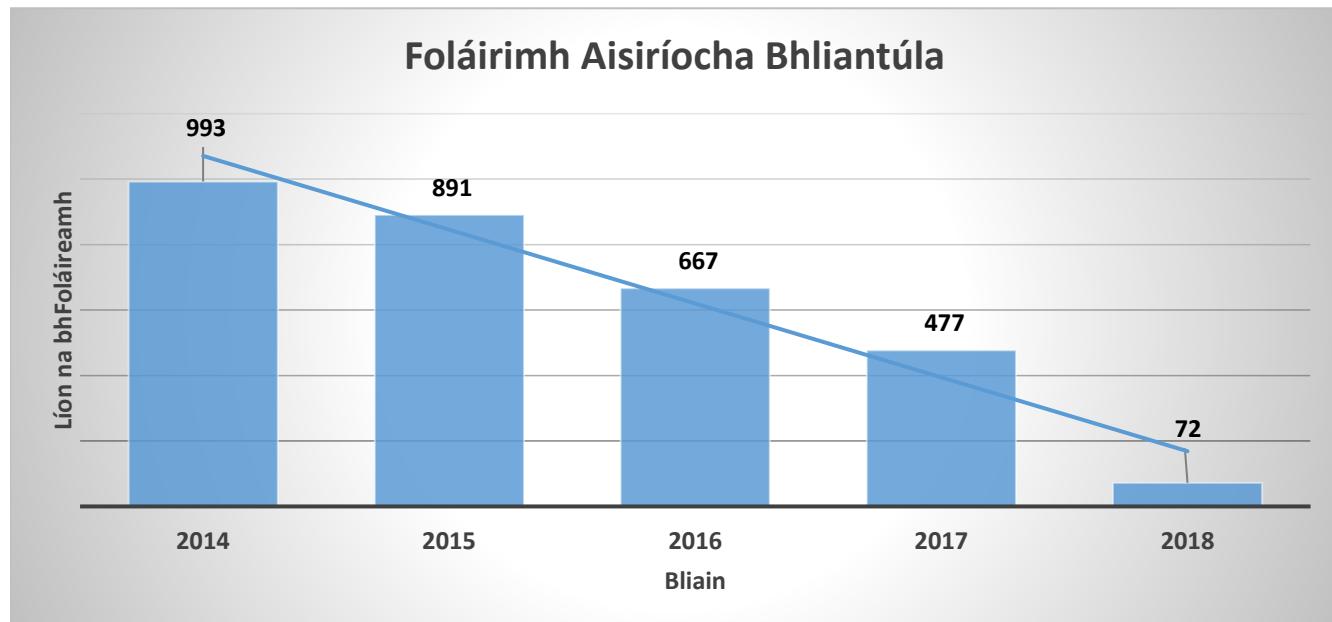

CAD É CEARTAS AISIRÍOCH?

Próiseas deonach é ceartas aisiríoch ina nglacann an duine óg le freagracht as a n-iompar ciontaithe agus ina mbíonn siad cuntasach dóibh siúd a ndearna siad díobháil dóibh. Tugtar an deis don íospartach go léirítéar meas ar a ndearcthaí trí chasadhl leis an duine óg aghaidh ar aghaidh nó go ndéanann duine eile ionadaíocht dá ndearcthaí. ForáiltEAR in alt 26 den Acht Leanaí, 2001 don fholáireamh ceartais aisiríoch agus foráiltEAR in alt 29 gur féidir le híospartach freastal ar an gcomhdháil leasa dá bhforáiltEAR faoin Alt seo, nuair a mheastar gur cuí.

CUSPÓIR AN CHEARTAIS AISIRÍOCH

Nuair a dhéantar coir, déantar díobháil do dhuine nó pobal. Déanann Ceartas Aisiríoch iarracht chun déileáil leis an díobháil trí phlé agus déanann sé iarracht chun an díobháil sin a thabhairt go lár an phlé. Déanann sé é seo trí ghlór a thabhairt don duine a bhí thíos leis an gcoir. Ansin cruthaíonn sé deis don chiontóir chun an díobháil a rinneadh a chur ina ceart agus oibriú i dtreo cosc a chur ar athchiontú. Ní bhíonn baint ag an bpróiseas ceartais aisiríoch le breithiúnas a thabhairt nó milleán a chur.

STATISTICÍ CEARTAIS AISIRÍOCH 2018

Tá treocht anuas ag teacht ar Rabhaidh aisiríocha ó bhí 2014 ann. Tháinig laghdú an-mhór, áfach, in 2018 ar an líon rabhaidh aisiríocha a riadar.

8. OILIÚINT A CUIREADH AR OIFIGIGH IDIRCHAIDRIMH DON ÓIGE

Leagtar dualgas in Acht na Leanaí, 2001, ar Choimisinéir an Gharda Síochána, chun oiliúint a chur orthu siúd a éascaíonn an Clár Athstiúrtha. Tá tasc ag an gCoiste Monatóireachta measúnú a dhéanamh ar dhea-chleachtais chun oiliúint a chur ar áisitheoirí agus chun monatóireacht a dhéanamh ar sholáthar oiliúna. Cuireann an coiste fáilte roimh chlárí thábhachtacha oiliúna a sholáthar do OIÓanna lena mbaineann ríthábhacht i dtaobh éifeachtacht an Chláir Athstiúrtha. Cuireadh an oiliúint seo a leanas ar fáil do OIÓanna i rith 2018:

Oiliúint ionduchtúcháin

Cuireadh oiliúint ionduchtúcháin ar OIÓanna nua-cheaptha i gcaitheamh cúig lá i Lúnasa 2018 i gcomhar le Coláiste an Gharda Síochána sa Teampall Mór. Dhírighe an oiliúint ar na hoibleagáidí dlíthiúla agus reachtúla a bhuntacaíonn leis an ról. Áirítear leis treoir ar dhea-chleachtas idirnáisiúnta i limistéar an cheartais i leith an aosa óig anuas ar threoir ar na próisis agus nósanna imeachta riarracháin atá le leanúint nuair a dhéantar idirchaidreamh le hógchiontóirí.

Forbairt Ghairmiúil Leanúnach

Cuireadh dhá sheimineár oiliúna do OIÓanna agus foireann an GYDO ar bun i gColáiste an Gharda Síochána in 2018. Bhí an chéad seimineár ar siúl i Meitheamh agus rinneadh cur i láthair ann ar ról Oifigigh Idirchaidrimh do Theaghlaigh agus na dúshláin atá rompu; déileáil le híospartaigh na coireachta agus a

dteaghlaigh; ról na hOifige Idirchaidrimh le híospartaigh, forálacha an Acharta um Cheartas Coiriúil (íospartaigh na Coireachta), 2017 agus freagrachtaí an Gharda Síochána i dtaobh íospartach ina dhiaidh sin.

Bhí an dara seimineár ar siúl i Lúnasa agus labhair aoichainteoir ó Thionscadal Idirghníomhaireachta an Taoibh Thuaidh (TITT), TUSLA maidir le hoibriú le leanáí a thug le fios go raibh siad thíos le hiompar diobhálach gnéasach agus aoichainteoirí ó roinnt eagraíochtaí pobalbhunaithe.

Oiliúint ar Éascaitheoir Ceartais Aisiríoch

Thug 11 rannpháirtí faoi chúrsa oiliúna trí lá a chreidiúnaigh Institiúid Idirnáisiúnta na hEorpa um Chleachtais Aisiríocha i Meán Fómhair. Sholáthair an cúrsa seo na scileanna, an t-eolas agus an mhuinín do OIÓanna chun rabhaidh aisiríocha agus comhdhálacha aisiríocha a éascú.

Scileanna Cuir i Láthair

Cuireadh oiliúint ar scileanna cur i láthair ar 27 OIÓ i Samhain. Dhírighe an oiliúint seo ar na scileanna praiticiúla a bhaineann le cur i láthair a dhéanamh agus chuir sé túis eolais ar fáil don OIÓ faoi na próisis a bhíonn i gceist chun cur i láthair a chruthú agus a sholáthar.

Scileanna Agallóireachta

Chríochnaigh 12 OIÓ cúrsa oiliúna lá amháin maidir le teicnící agallaimh.

9. FORBAIRTÍ IN 2018

Leagan 7.3 PULSE

Thug 'Leagan 7.3 PULSE' athrú mór isteach i bhFeabhra ar an bpróiseas atreoraithe óige i ndiaidh gur cuireadh sraith faofa i bhfeidhm laistigh den phróiseas atreoraithe ar PULSE. Thug an t-athrú próiseas leictreonach nua isteach laistigh de PULSE chun láithreacht fianaise prima facie a dheimhniú in aghaidh an linbh sula dtugtar faomhadh ansin d'atreorú óige a chruthú ar leibhéal Oifigeach Ceantair. Is é cuspóir an athraithe seo rialachas méadaithe a thabhairt isteach ar leibhéal ceantair maidir le hatreoruithe óige a chruthú agus cialláonn sé anois nach féidir atreoruithe óige a chruthú gan athbhreithniú a bheith déanta ar an gcás ag Oifigeach Ceantair nó ag Riarthóir an Chreata Feidhmíochta agus Cuntasachta (an CFC) thar a gceann.

Acmhainní Breise ag an GYDO

Thosaigh Príomhoifigeach Cúnta amháin, Ardoifigeach Feidhmiúcháin amháin agus triúr Oifigeach Feidhmiúcháin ag oibriú leis an GYDO, ar bhonn buan agus rinneadh iad a imlonnú go dtí forbairt beartais, riarracháin agus tacáiocht riarracháin leis an oifig. Go déanach in 2018, leithdháileadh triúr Sáirsintí Garda nua-cheaptha ar an GYDO ar bhonn buan. Leithdháileadh triúr Comhaltaí an Gharda Síochána chomh maith, ar aistriú sealadach iad, chun cabhrú le próisis nua rialachais a imlonnáodh ag an GYDO chun acmhainneacht mhonatóireachta na hoifige a mhéadú maidir le dul chun cinn atreoruithe go náisiúnta.

Leanaí i gCúram

Tá leanaí a gcónaíonn i gcúram stáit cónaithe i measc na ndaoine is leochailí a ndéanann comhaltaí den Gharda Síochána teagmháil leo.

In 2018, bhain an GYDO trial as scéim phíolótach a bhí thíos ar leanaí a chónaíonn i gcúram cónaithe an stáit a d'fhéadfadh cionta a dhéanamh. Tugadh príomhphearsa le chéile sa scéim phíolótach seo i saol leanaí i gcúram a rinneadh a atreorú chuig an gClár Athstiúrtha. Trí oibriú le OIÓ a bhí ceaptha do na leanaí, rinne foireann ón GYDO idirchaidreamh le hoibrithe cúraim, dochúirí, síceolaithe, oibrithe sóisialta agus TUSLA le leas an linbh a chinntí agus le tuiscint a fháil ar na fíricí agus ar na cúiseanna a bhíonn lena n-iompar ciontaithe. I ndiaidh na dtorthaí a bhí ar an réamhchlár píolótach, beartaítear go sínfear an scéim i Ráithe 3 2019 go náisiúnta chun é a chur ar fáil do gach leanbh a chónaíonn i gcúram cónaithe stáit.

Cuireadh scéim phíolótach an GYDO ar bun sular foilsíodh dhá thuarascáil mhóra sa Ríocht Aontaithe agus in Éirinn. Deimhníodh go daingean sa chéad tuarascáil, cáipéis bheartais ón Ríocht Aontaithe a chomhfhaoisigh an Roinn Oideachais, Home Office, agus an Aireacht Cheartais, go bhfuil leanaí i measc na ndaoine is leochailí agus ba cheart iad a aistriú amach ón gcóras dlí choiriúil, pé áit ar féidir. Chuir an GYDO, in Éirinn, le tuarascáil lontaobhas na hÉireann um Athchóiriú an Chórais Choiriúil ar "Cúram agus Ceartas", staidéar ar ró-ionadaíocht leanaí i gcúram sa chóras dlí choiriúil.

Aonad Beartas an Chláir Athstiúrtha

Anuas ar stiúradh a dhéanamh ar an scéim phíolótach Leanaí i gCúram a thabhairt isteach, d'athbhreithní agus thosaigh Aonad Beartais an Chláir Athstiúrtha le roinnt cáipéisí treoiríne breise Buan-Nósanna Imeachta Oibriúcháin (BNIOanna) a forbairt a bhaineann leis an gClár Athstiúrtha a riad.

Is é cuspóir na gcáipéisí nós imeachta seo chun treoir a sholáthar d'Oifigigh Idirchaidrimh don Óige agus do chomhaltaí an Gharda Síochána, go ginearálta, ar chaighdeáin a bhfuiltear le cloí leo nuair a bhíonn atreoruithe óige á bpróiseáil leis an gClár. Leanadh leis na cáipéisí seo a forbairt i rith 2018 agus bhain taighde deisce agus príomhthaighde araon leis, grúpaí fócais a chur ar bun ina measc le Gardaí OIÓ agus le Sáirsintí OIÓ i measc 4 réigiún an Gharda Síochána. Leanfar leis na cáipéisí nós imeachta seo a forbairt in 2019 agus beartaítear go ndéanfar iad a scaipeadh ar an eagraíocht níos fairsinge faoi dheireadh Ráithe 2 2019.

Rialachas agus Cuntasacht

Tugadh próisis fheabhsaithe dearbhaite cailíochta isteach sna nósanna imeachta maidir le hatreoruithe óige a phróiseáil leis an méadú ar acmhainní an Gharda agus acmhainní foirne an Gharda Síochána a bhfuil céim mhaoirseachta acu sa GYDO. I Meán Fómhair, leithdháileach triúr Gardaí ar bhonn sealadach a chuir ar chumas an Garda Síochána foireann a bhunú a bhfuil an cuspóir aonair acu ná monatóireacht a dhéanamh ar dhul chun cinn atreoruithe ó chruthú an atreoraithe, a fhad le cúiseamh/toghairm a chruthú nó comhad a sheoladh chuig an Stiúrthóir lonchúiseamh Poiblí má measadh ina dhiaidh sin go raibh leanbh neamhoiriúnach le cead isteach chuig an gClár Athstiúrtha a thabhairt dó/di. Áirítear leis an bhfeidhm mhaoirseachta seo, chomh maith, meabhrúcháin a eisiúint do Cheantair an Gharda Síochána a lorgaíonn freagairtí ar iarrataí ar eolas breise a dhéanann an GYDO agus athbhreithniú a dhéanamh orthu siúd nár freagraíodh go fóill i rith tréimhse ama áirithe.

Beartaítear go gcuirfidh foireann ón GYDO treoir ar fáil d'Ard-Cheannfoirt agus Ceannfoirt in 2019 ag cruinnithe roinne maidir lena ról rialachais agus cuntasachta maidir leis an gClár Athstiúrtha a riad ar leibhéal roinne agus ceantair araon.

Chun tacú le cumas an GYDO chun aghaidh a thabhairt ar a bhfreagracht as maoirseacht agus rialachas náisiúnta a dhéanamh ar riad an Chláir Athstiúrtha, cuireadh togra chun dearadh córas saincheaptha TF a fhaomhadh faoi bhráid na bainistíochta sinsearaí sa Gharda Síochána. Anuas air sin, rinneadh struchtúr nua Bhiúró Athstiúrtha Óige an Gharda Síochána a bheartú agus a fhaomhadh agus bunófar é sa chéad ráithe in 2019. Is éard a bhainfidh leis seo ná an Oifig Stiúrtha Oibríochtúil agus Oifig Beartais agus Rialachais an Chláir Athstiúrtha a bhunú, anuas ar oifigí reatha Oifig Tionscadail Athstiúrtha an Gharda Síochána agus Oifig Chárta Aoise an Gharda Síochána, a ndéanfaidh siad go léir tuairisciú ar deireadh le hArd-Cheannfort Bhiúró Athstiúrtha Óige an Gharda Síochána.

Toradh Thuarascáil an Aonaid um Chaighdeán Ghairmiúla an Gharda Síochána (an GPSU) agus an Scrúdaithe ar Atreorú Óige a rinneadh ina dhiaidh sin.

I ndiaidh don GPSU athbhreithniú a dhéanamh ar an GYDO, sainaithníodh roinnt ceisteanna a bhí ina n-ábhar buartha agus bunaíodh foireann athbhreithnithe speisialta ina dhiaidh sin chun tabhairt faoi na saincheisteanna siúd a fhiosrú i gcaitheamh na tréimhse idir 2010 agus 2017. Ábhar ar leith buartha a bhí i neamhdhul chun cinn cásanna os comhair na gcúirteanna i ndiaidh gur measadh go raibh leanbh neamhoiriúnach le cead isteach a thabhairt dó/di sa Chlár Athstiúrtha.

Leanadh leis an scrúdú a rinne an foireann athbhreithnithe speisialta ó thús deireadh 2018 agus tá súil leis an tuarascáil deiridh in 2019. I rith na tréimhse seo, rinneadh idirchaidreamh leanúnach leis an bhfoireann athbhreithnithe agus an GYDO ónar eascair gur tugadh próisis rialachais fheabhsaithe isteach agus gur bunaíodh an foireann mhonatóireachta laistigh den GYDO. Torthaí eile den scrúdú leanúnach seo iad athstruchtúrú beartaithe an GYDO agus Buan-Nósanna Imeachta Oibriúcháin a forbairt do gach gné den Chlár Athstiúrtha.

Go dtí go dtugtar an tuarascáil seo chun críche agus go dtí go dtéitear i mbun gnímh ina leith, leanfaidh na saincheisteanna a tugadh chun solais i rith an athbhreithnithe ar aghaidh mar phríomh dhúshláin i leith riár éifeachtach an Chláir Athstiúrtha as seo amach.

Leibhéal Foirne ag an GYDO

Cé go bhfáiltíonn an coiste roimh foireann an Gharda Síochána ar ghráid éagsúla agus triú Sáirsintí Garda a leithdháileadh ar an GYDO go déanach in 2018, leanann leibhéal soláthair foirne ag an GYDO le dúshlán a chruthú in aghaidh riár éifeachtach an Chláir Athstiúrtha. Acmhainní sealadacha iad gach comhalta, seachas comhalta Garda amháin agus ghlac an triú Sáirsintí Garda a leithdháileadh ar an oifig le poist a bhí folamh ó 2017 ar aghaidh, seachas acmhainneacht na hoifige a mhéadú. Ceaptar go leanfar go dian le hiarrachtaí an fhadhb seo a réiteach le linn 2019.

Riachtanais Bhuiséadacha

Ar feadh roinnt blianta, chuir Seirbhís na hÉireann um Cheartas i leith an Aosa Óig buiséad substainteach ar fáil don Chlár Athstiúrtha chun tacú le hoiliúint agus taighde a sholáthar. Rinneadh an tacáiocht seo a aistarraingt, áfach, in 2018. Cruthaíodh folús nuair nach raibh maoiniú ar fáil ó Sheirbhís na hÉireann um Cheartas i leith an Aosa Óig ba chúis le laghdú ar chumas oibríochta an GYDO agus ar an ábaltacht moltaí an choiste monatóireachta ina Thuarascáil 2017 a chur i bhfeidhm go hiomlán.

Beidh 'Cás Gnó' do sholáthar buiséad [malartach], d'fhoill tacú a thabhairt don Chlár Athstiúrtha, curtha le chéile agus curtha faoi bhráid Fhoireann Feidhmiúcháin an Gharda, lena bhfaomhadh, in iarracht seirbhís leanúnach a chothú maidir leis an gcur chuige do Cheartas Aisiríoch atá curtha i bhfeidhm ag an GYDO.
