Michael D. Higgins,
President of Ireland
Patron of Water Safety Ireland

Chair's Statement

Ms. Clare McGrath

As Chair of Water Safety Ireland, it is my honour to deliver this report on behalf of our over 5,000 members.

2022 was a transformative year for Water Safety Ireland and I wish to welcome the new Council appointed by Minister Heather Humphreys TD in March. I would also like to acknowledge the work of the outgoing members of Council and Commissions for their contribution prior to 2022 in furthering drowning prevention initiatives.

We recently launched the new WSI Strategic Development Plan 2023 – 2027, which will guide the work of Water Safety Ireland in conjunction with Ireland's National Drowning Prevention Strategy 2018-2027. The plan outlines the ambition and the expectation of the Water Safety Ireland Council. It also reflects our mission, vision, values, goals and objectives as an organisation.

The participation of our most valuable resource, our volunteers, is paramount and a key objective within this strategy. Our organisation has made many important strides in the last five years and I look forward to the development of new approaches that tackle water safety issues and which promote appropriate skills, attitudes and behaviours.

Overall drowning rates have continued to decrease over the decades. Drowning statistics for 2022 indicated 85 people drowned and while this is five more than in 2021, it is lower than the average of 105 that have occurred in the last ten years. To this extent, I would like to take this opportunity to express my sincere thanks to each of the Committees, Commissions, Working Groups, Water Safety Area Committees and Head Office staff who have remained focused throughout the year.

I would like to wish John Leech, whose term as CEO has ended, every success in his retirement. I want to acknowledge the contribution that John has given over many years of service to Water Safety Ireland both here in Ireland and on the international stage.

Water Safety Ireland volunteers have been busy nationwide teaching swimming, lifesaving, basic life support, rescue skills and the promotion of water safety awareness to the public. There was a welcome return in 2022 to a full schedule of summer week classes for the first time since 2019 and the onset of the Covid-19 pandemic. I commend our Water Safety Area Committees, and our Summer and Winter Course Organisers for their commitment to deliver essential training to the next generation of lifesavers.

The number of lives saved and aquatic accidents avoided as a result of the work carried out by all of our active volunteers can never be fully enumerated, although one figure that brings home the importance of this work is the number of rescues performed by Lifeguards each year, a figure which reached 578 last summer. These same Lifeguards, trained and assessed by Water Safety Ireland, administered first aid on 6,678 occasions and reunited with their loved ones, 587 children found wandering alone by the water's edge.

After the historic UN resolution on Drowning Prevention in 2021, this year saw the second ever World Drowning Prevention Day take place on the 25th of July, incorporating the theme 'Do One Thing' to prevent drowning. Water Safety Ireland volunteers once again went above and beyond to mark the day, with Lifeguards, parents, children and a variety of prominent buildings going blue in some way. Ireland has been at the forefront of this global initiative and we appreciate the significant efforts made by all.

We ran a full programme of sport competitions in 2022, culminating in the presentation of the Presidents Trophy to Wicklow. National Junior & Senior Teams competed in the World Championships in Italy in September. As well as breaking many Irish records in the pool events, the Irish Junior & Senior Men's Board Rescue teams both came 5th in the world and our Junior Ladies Board Rescue team came 2nd in the World, bringing home silver medals. A fantastic achievement by competitors and coaches alike.

We completed a full review of WSI's Swimming syllabus, revamping the awards of Seal, Marlin and Orca awards, for re-introduction in early 2023. We also created a CPD module for open water swimming safety, which is very relevant given the increase in the number of people partaking in open water swimming since the Covid-19 pandemic.

There was a focus in 2022 on the launch of the new WISE Programme for secondary schools, the continued roll out of the PAWS curriculum for primary schools and an expansion of the Hold Hands programme for Pre-school children. These three programmes ensure that water safety reaches all school going ages and is part of our effort to change people's skills, attitudes and behaviours around water.

Water Safety Ireland had a strong presence across the media in 2022, with high profile campaigns taking place as part of the 'Better Safe Than Sorry' message. Through continued government funding and sponsorship, we co-ordinated efforts to deliver practical water safety advice to the public via traditional and digital channels, reaching the most at-risk groups nationwide.

Thank you to all the staff at Water Safety Ireland head office and in particular I offer a warm welcome to our new CEO Joanne Walsh, and new staff member Paul McGowan.

Finally, I thank each and every member of our organization for their efforts to bring drownings down in 2022 and I look forward with confidence to the continued growth of our organisation.

Clare McGrath
Chair, Water Safety Ireland

Water Safety Ireland Council

Clare McGrath

Clare is an active Water Safety Ireland instructor, examiner, tutor and international referee and she has worked as a referee at the highest level at European and World competitions. Clare has been involved in the organisation of Regional and National lifesaving competitions, both pool and beach for 20 years. She works with Clare County Council, as the Water Safety Development Officer, within the Environment Section.

Philip Keleghan

Philip Keleghan is from County Wicklow and has been involved in Water Safety and other aquatic activities for over forty years. He is an active Water Safety Instructor, Examiner, and Swimming Tutor. He is currently the National Vice Chair and head of the technical Commission.

Tom O'Mahony

Tom O'Mahony lives in Dunboyne, Co. Meath. He is a retired civil servant and served as Secretary General of the Department of Transport and Sport. In a previous role in the Department of the Environment he was involved in the statutory establishment of Water Safety Ireland, then Irish Water Safety, in 1999. He is very active in the fields of sport (where he is President of St Patrick's Athletic FC and music (as a recording artist under the stage name Tommy Keyes).

Simon McGarrigle

Simon is currently living in Galway, Ireland, with his wife and young daughter, and works in a Sales & Marketing role for Finol Oils. Simon hails from Donegal, where his passion for the sport of lifesaving began from an early age and continues to this day. Throughout his teenage and early adult years, he was a Water Safety Ireland Instructor, IRB Crew, Coxswain & Instructor, a lifesaving sport coach & team manager in Donegal. He also instructed for WSI Dublin while he lived in Dublin. He has competed, coached & refereed nationally, and has also been team manager and referee at European & World Championship lifesaving events. Simon has been involved in organising both pool and beach competitions nationally for ten years and is currently a member of the International Life Saving Federation of Europe Sports Commission as well as being the current chair of the Water Safety Ireland Sports Commission and a member of the WSI Technical Committee.

Natalie McGuinness

Natalie McGuinness is a strategy and marketing professional with over 20 years of experience in various industries including technology, education and professional services. She is Chief Marketing Officer for Mason Hayes & Curran, with responsibility for the firm’s marketing strategy in Ireland, the UK and USA. Previously, she worked for Vodafone and UCD. She is a three-time graduate of UCD with a BA, MBA, and a Diploma in Corporate Governance. Natalie is also a member of Dublin Chamber Council, Chambers Ireland and the St. Patrick’s Day Festival Board.

Leo Mahon

Leo is from Co. Kildare and has been involved in Water Safety for over 30 years. As current Chair of the Education Commission, Leo is spearheading the delivery of education programmes to schools throughout Ireland. He previously served on a number of Commissions and Working Groups including the Marketing Commission, and was a founding developer of ringbuoys.ie which allows members of the public to report missing and damaged ringbuoys. In addition, Leo has been committed to outdoor Water Safety Training through the development of the first Inland Water Safety training venue at Blessington, Co. Wicklow. He is currently an active Water Safety Instructor and Examiner, as well as the PRO of Water Safety Ireland – Kildare.

John Claffey

John has been an active committee member of WSI Kilkenny for over 20 years as an Instructor, Examiner, Swimming Teacher/Tutor and Cardiac First Responder Tutor, Pool, Beach and Inland Open Water Lifeguard Tutor, First Aid Responder Tutor and Pool Risk Assessor, Water Safety Awareness Tutor. During this time John has served as a member of the Lifeguard Commission and as Chair of Water Safety Awareness Working Group. John is an elected Council Member of Water Safety Ireland, and Chairman of the Rescue and Inshore Rescue Boats Commission and a member of the Technical Committee.

Paul Burke

Paul has been involved with water safety for nearly 40 years. He has held many positions since 1984 on the Cork Area Water Safety Committee such as Chairman, Treasurer, Secretary and Fund-Raising Officer. He spent 7 summer seasons (1984 – 1990) working as a Beach Lifeguard on Inchydoney Beach.

Paul is a qualified Examiner, Instructor, Risk Assessor, Poolguard Provider, Beachguard Provider, Surf Lifesaving Referee & Swim Teacher Tutor. He is the current chair of WSI’s Swimming Commission and has sat on a number of Commissions of WSI and ILSE since 2000, such as the WSI Sports Commission (2000,2001,2002), WSI Lifesaving Commission (2003,2004), WSI Education Commission (2016), WSI Audit & HR Commission (2017, 2018, 2019, 2020, 2021), ILSE Development Aid Commission (2000 – 2005), ILSE Auditor (2004,2005) and the WSI internal auditor since 2016.

Paul Devins

Paul is from County Dublin and has been involved with Water Safety Ireland for over 40 years. He is an active Water Safety Instructor, Examiner, Pool & Beach Lifeguard Provider / Tutor. He is presently Chairman of the Lifeguarding Skills & Syllabus Development Commission and has previously served on the Sports Commission. He continues to serve on the Dublin Water Safety Committee.

Dervla Quinn

Dervla is a practising solicitor and member of the Residential Tenancies Board disputes committee. She is a year round swimmer and is active in the Greystones, Co. Wicklow swim community. In 2018 she was rescued from the sea which inspired an interest in promoting water safety.

Christine Moloney

Christine is the CEO of LeisureWorld since 2001. She strategically leads, directs, and manages the six LeisureWorld sites on behalf of Cork City Council, ensuring the delivery of quality and value for money services. She has a wealth of experience in Public Sector service provision, strategy development, corporate governance, strategic HR, financial and internal controls, and a background in facilities management.

Mary Plunkett

Mary has worked in financial services for over 25 years across a diverse base of institutions in Banking, General Insurance, Life and Pensions and Funds. Working primarily within pillars of Strategic Planning and Governance, Mary has built vast experience having worked with leading financial services clients at executive level. Mary holds a Diploma in Company Direction with Distinction from the Institute of Directors, an MSc Investment & Treasury from Dublin City University and is a qualified accountant. Mary also holds the Association of Compliance Officers in Ireland leading qualification and is a qualified Data Protection Officer.

Working in Risk management & Compliance for many years, Mary has in-depth experience in design of Risk & Compliance Governance Frameworks, monitoring upstream regulation, Compliance Monitoring Programmes, Compliance Roadmaps, setting Risk Appetite and Risk Policy and establishing governance programmes to manage same. Mary has valuable experience in engaging with diverse stakeholder groups to deliver transformation programmes, cultural change, offshoring, management of 3rd party suppliers and contractual commitments.

Melanie Cullen

Melanie is a Fellow of Chartered Accountants Ireland and runs her own accounting business. She has worked in Finance Management for many years in both Ireland and Australia. Melanie is an experienced Non-Executive Director, having spent time with South Connacht Citizens Information Service. She has a keen interest in open water swimming and was previously a lifeguard in the United States. Melanie brings a wealth of experience and insight to the Council and also has a keen interest in volunteer work and sport.

Council Meetings 2022 Attendance Record

In addition to the Council meetings, members have also attended Commission meetings, conferences, exhibitions and other water safety events throughout the year on behalf of Council. As at 31 December, the Council had 5 (41%) female and 7 (59%) male members, with one position vacant. The Council therefore meets the Government target of a minimum of 40% representation of each gender in the membership of State Boards.

Water Safety Area Committees

The organisation has thirty Water Safety Area Committees, arranged almost on a county basis plus the Defence Forces and the Gárda Síochána Water Safety Area Committees. Much recognition must be afforded to these Water Safety Area Committees who devise a programme of events and courses to cover their areas for the year. In addition to delivering water safety promotional programmes and demonstrations at schools, colleges, businesses, exhibitions and community events, each Committee delivers an extensive programme of pool water safety sessions in the winter and beach, lake and river water safety sessions in the summer.

The official membership structure is of a voluntary nature with over five thousand members nationwide. It operates on a number of different levels: Life Governors, Examiners, Trainee Examiners, Tutors, Instructors, Trainee Instructors and Non-Technical Volunteer Organisers. Each Local Authority has a Water Safety Development Officer who is a member of Water Safety Ireland.

Thanks to all their efforts to promote water safety we have seen a significant increase in the development of water safety awareness in local communities.

Water Safety Ireland – Staff

- Joanne Walsh, CEO (Nov 2022 – Dec 2022)
- Lt. Cdr. John F.M. Leech, CEO (Jan 2022 – Mar 2022)
- Roger Sweeney, Deputy CEO & Marketing Manager (Acting CEO Mar – Nov 2022)
- Joan Harte, Office Manager
- Jocelyn Cunningham, Executive Officer
- Alison Elstone, Executive Officer
- Emer Gardiner, Clerical Administrator
- Ciara Gleeson, Education Development Executive
- Nadia Williams, Education Development Officer (May 2022 – Nov 2022)
- Bernard Cahill, Development Executive - Education and Sport (Jan 2022)
- Padraig Judge, Marketing Executive
- Paul McGowan, Marketing Assistant (Sept 2022 – Dec 2022)
- Jennifer O’Neil, Board Secretary, HR & Compliance Officer

Water Safety Ireland employees participated in 81 hours of training activities in 2022.

In the summer of 2022, Lifeguards found and reunited 587 lost children with loved ones

Water Safety Ireland – Committees

The Technical Committee

Philip Keleghan - Chair
John Claffey
Paul Burke
Leo Mahon
Simon McGarrigle
Paul Devins

Duties

- Co-ordinate and monitor the work of all Technical Commissions
- Review all Technical Commission recommendations and forward as appropriate all suitable recommendations to Council for approval
- Review all WSI Lifesaving syllabi & publications
- Oversee the arrangements for WSI Examiner's and Member's Conferences as required
- Identify and prioritise the new projects with Commissions

Audit, Risk & HR Commission:

Tom O'Mahony – Chair
Joan Harte
Mary Plunkett
Tom Keating
Melanie Cullen
Evan Duggan
Joanne Walsh
Jennifer O'Neil

Lucy Boyle, Triona McMenamin, Leah Bonner, Seamus O'Neill going blue for World Drowning Prevention Day during Float for Hope, Water Safety Awareness Day in Burtonport, Co. Donegal.

Duties

- Monitoring Expenditure and Income
- Internal Financial Controls & Risk Management
- Internal Audits
- HR Matters
- Define an approach for the continuation of management development for both existing and new staff
- Health & Safety
- National & International Travel
- Develop strategies to increase membership
- Recommend National & International Appointments
- Improve links with Local Authorities, meet more County Managers and County Councillors

In the summer of 2022, Lifeguards rescued 568 people at risk of drowning.

Marketing Commission:

Natalie McGuinness – Chair
Roger Sweeney
Aidan Collins

Andrea McKeivitt
Padraig Judge
Paul McGowan

Duties

- Promotion of the public awareness of water safety
- Manage national Marketing campaigns to promote water safety awareness
- Manage the WSI Digital and Social channels
- Communicate WSI Educational campaigns
- Produce marketing and promotional material as outlined within S.I. 56 of 2019 and Strategic Development Plan
- Ensure brand consistency across all merchandise such as certificates, books, manuals, leaflets, posters and online
- Manage the strategy for press releases and all external communications
- Conduct market research on water safety awareness and drowning prevention
- Ensure that WSI is well represented at exhibitions nationwide
- Liaise with external agencies
- Assist in organising national ceremonies, conferences & events
- Market the WSI Brand
- Monitor Press Cuttings
- Source sponsorship
- Promote the wearing of lifejackets and use of ringbuoys
- Develop the commercial strand to our organisation
- Analyse drowning statistics

Rescue and Inshore Rescue Boats Commission:

John Claffey - Chair
Valerie Stundon - Secretary
Ronnie Horan
Colm Dempsey

Patrick O'Grady
Kevin McCloskey
Graham Kerr

Duties

- Develop and implement a strategy for the Promotion of Blue Flag safety standards and other aquatic environmental issues
- Oversea the Management of Risk Assessments at local, national & international level
- Implement a programme of risk assessments in swimming pools adhering to Pool Safety Guidelines
- Manage the VAT Exemption Inspections as per S.I. 249 of 2013
- Development of a skilled trainer base to facilitate the Training of CRBI personnel in rescue on inland and maritime waters
- Development of a Inshore rescue syllabus in co-operation with CRBI.
- Liaise with Community Rescue Boats Ireland. Carry out usage tests on rescue equipment & review documentation
- Oversea the management of the Open Water Safety Awareness courses
- Develop a syllabus for training lifeguards in the use of IRB's and other power craft
- Arrange training courses for lifeguards in the use of IRB's
- Arrange rescue boat handling courses for WSI members

For Primary
Schools...

TeachPAWS.ie

- Develop and deliver a syllabus to train WSI members as Rescue Boat Trainers
- Manage National & International IRB Competitions
- Arrange for safety cover at all WSI and ILS events & competitions where such cover is required.
- Organise VHF Radio short range courses for WSI members

Sports Commision:

Simon McGarrigle – Chair
James Hassey
Kate O’Donovan

Caroline Bentley
Daniel Wrafter

Duties

- Promote and develop lifesaving sport in Ireland
- Improve liaison with Swim Ireland in relation to our NGB funding
- Improve liaison with the Federation of Irish Sport
- Improve liaison with Coaching Ireland
- Manage International and National Competitions
- Facilitate Training of Coaches, Referees and Officials.
- Appoint Coaches, Referees and Officials for competitions.
- Ensure all WADA regulations are enforced for our athletes
- Recommend Sports Equipment
- Manage International Life Saving Sport & Competitions
- Liaison with the Olympic Council of Ireland
- Draw up procedures for all activities and competitions

Lifeguarding Skills & Syllabus Development Commission:

Paul Devins – Chair
Sean O’Keeffe
Pauline Jordan

Paul Murphy
Shane O’Brien

Duties

- The promotion of efficiency and standardisation of the Lifeguard Service
- Develop and implement a strategy for the improvement of national standards for Lifeguards
- Oversee all matters relating to the provision and training of Lifeguards (Pool, Beach, River)
- Recommend and publish national standards for all lifesaving equipment
- Develop and implement a national standard for the provision of instruction in water safety, rescue, resuscitation, and recovery skills
- Ensure European Resuscitation Council guidelines are adhered to by our membership
- Liaison with PHECC WG
- European Qualification Framework in Lifeguarding
- Implement training in Critical Incident Stress Management suitable for WSI members

For Early Learning Years...
HoldHands.ie

Education Commission

Leo Mahon - Chair
Caroline Casey
Ashling Nesbitt

Sinead Weldon
Ciara Gleeson

Duties

- Promotion of measures, including the advancement of education, related to the prevention of accidents in the aquatic environment
- Maintain and develop training and water safety awareness programmes within the Irish Educational System.
- Develop and implement Transition Year water safety programme
- Paws and Hold Hands: monitor and track and promote
- Liaise with the Department of Education on the implementation of the Leaving Certificate programme.
- Develop and implement the Teachers Training Courses
- Development of further QQI awards
- Review and update all Children's welfare, protection & educational documents
- Arrange seminars for Designated Liaison Persons
- Liaise with the Dept of Education to maximise water safety awareness training and public awareness programmes.
- Manage, monitor, and enforce best practices in accordance with Children First and our own Code of Ethics for children and all relevant legislation pertaining to child welfare and protection.
- Review and update the National Code of Ethics and Good Practice for Children & National Volunteer Policies

Swimming Commission

Paul Burke – Chair
Breda Collins
Deirdre Webster

Clive Seawright
Amelia Reilly
Darren Ryan

Instructors Ben and Joe Morales watch on as participants take part in the 2022 Summer Weeks Classes in Garrylucas, Co. Cork.

Duties

- Oversea the provision of instruction in Swimming as a key element of the teaching of lifesaving
- Develop and implement a strategy for increasing the delivery of WSI Swimming awards
- Develop and implement a strategy for increasing the number of WSI swimming teachers.
- Develop a strategy to improve the teaching of water safety and lifesaving to individuals with disabilities.
- Oversea the provision of training and certification of Swimming teachers and Swimming Tutors to National Standards
- Liaise with the Education Commission on matters relating to swimming teaching and water safety awareness
- Represent WSI at IFSTA
- Ensure WSI is represented on the White Flag Jury
- Evaluate the number of Swim Certificates in WSI
- Review all swimming related documents and update as necessary
- Liaise with the Rescue Commission on the implementation on the Swimming Pool risk assessments programme.

Commercial and Membership Development Commission

Christine Moloney - Chair
Dervla Quinn
Mark Kiely
Seamus O'Neill

Duties

- Prepare and implement a strategy to increase the membership numbers
- Prepare and implement a strategy to commercialise the provision of WSI awards and qualifications
- Improve membership and communication with WSAC's

Media Partnerships 2022

We are very grateful to the provincial and national media in helping us to target at-risk groups. Thirteen press releases were issued and WSI received 881 mentions.

Press Releases

- Christmas and New Year
- Inter-agency water safety warning
- National Awards Ceremony
- October Bank Holiday
- National Surf Lifesaving Championships
- August Bank Holiday
- World Drowning Prevention Day
- Warm Weather Swimming Advice
- National Water Safety Awareness Week
- June Bank Holiday
- May Bank Holiday
- Easter Bank Holiday
- St. Patrick's Day

Peadar O'Lamhna, (Chairperson, Water Safety Ireland - Monaghan) joins Meadhbh Corcoran, Edel McCarthy and Adam Nugent, Water Safety Ireland – Dublin, taking part in National Services Day commemorations. Events throughout Ireland recognised the efforts of Ireland's frontline services, including lifeguards trained and assessed by Water Safety Ireland.

Promotional Campaigns

- National Services Day Parade, Sept 3
- WSI National Annual Awards Ceremony, Dec 6th (online)

National Water Safety Awareness Week (June 13th – June 19th)

National Water Safety Awareness Week took place from June 13th – June 19th 2022. During the week, our national campaign communicated important water safety messages to the Irish public. The central theme was 'Heed Our Heroes' – reminding us all to listen to the advice of Ireland's lifeguards and take necessary care when on, near or in water.

**IT'S NEVER TOO
EARLY TO LEARN
ABOUT WATER
SAFETY**

The SEIKO “Just In Time” Award

Fifteen lives were saved from drowning through the brave actions of rescuers who received recognition at Water Safety Ireland’s online National Awards Ceremony on Thursday 6th December 2022. For the third consecutive year, the Award Ceremony was an online only event and was broadcast on Water Safety Ireland’s website and social media channels. WSI is grateful to Timemark for sponsoring the Seiko watches. Details of each rescue are listed in this report. Long-Service Volunteer Awards were also presented to 30 volunteers, recognising a combined total of 545 years of service teaching swimming, water rescue and survival skills in communities nationwide.

Certification

There are two broad categories of certification – Swimming and Lifesaving. Certification reflects the efforts of our voluntary members who change skills, attitudes and behaviours by instilling water confidence and deep-water swimming and survival ability.

Water Safety Area Committees processed 15,039 Swimming, Lifesaving and Water Safety certificates in 2022. In addition, a further 28,251 Primary School Aquatics Water Safety (PAWS) certificates were processed, 24,100 of the Seal, Marlin and Orca certificates were issued, giving a total certification by Water Safety Ireland of 67,390.

Primary Aquatics Water Safety (PAWS) is Water Safety Ireland's program of certification for primary school children and a component of the physical education strand of the primary school curriculum. A total of 28,251 PAWS Certificates were issued in 2021.

WISE

Water Safety Ireland launched the WISE (Water Insight, Safety & Education) programme in 2022 for Transition Year secondary school students. The programme builds on the lessons learned in the PAWS (Primary Aquatic Water Safety) programme and equips students with the knowledge they need to make the right decisions in all sorts of situations to keep themselves, and others, safe on, or near, water.

WISE involves a series of eight lessons that provide a solid introduction to Water Safety, with a focus on risk assessment and water safety strategies for all aspects of our daily lives, from specific water-based activities to hazards and the potential of unforeseen accidents. The lessons look at different environments and highlight potential dangers so students can better assess the risks, and their ability, to determine the safest course of action in all types of situations for themselves and others.

Water Safety Ireland has also developed a bespoke WISE website, available at teachwise.ie, where teachers and students can access all resources and project information online. The website pioneers a new digital certification system, enabling students to receive a personalised certificate by email upon successful completion of the programme.

Summer Water Safety Weeks

WSI Water Safety Area Committees nationwide run an extensive series of swimming and water safety weeks throughout the summer in pools, rivers, lakes and beachfronts. Many of these classes extend beyond the summer in places that have pools and leisure centres. Swim weeks consist of instruction in swimming and water safety weeks develop skills in rescue, water survival and basic life support.

World Drowning Prevention Day

World Drowning Prevention Day takes place annually on the 25th of July with activities taking place around the world to mark the day. The global theme for 2022 was ‘Do One Thing’ and as part of a national public awareness campaign, Water Safety Ireland highlighted the role of the Hold Hands programme for Early Learning and Care Centres. This one intervention will have a significant impact on water safety education efforts nationwide, reducing aquatic incidents and drownings into the future.

Water Safety Ireland also encouraged everybody to ‘Go Blue’ to highlight drowning prevention. As part of commemorations, WSI asked the public to consider illuminating their organisations’ building in the colour blue, lighting up a window in their area or by bringing the colour blue and #DrowningPrevention to their social media networks with shareable images.

6th December – National Awards Ceremony (online)

Risk Assessments

Water Safety Ireland volunteers carried out 25 Risk Assessments on bathing areas and waterways nationwide that may pose a particular risk to the public. In order to make these waterways safer, recommendations typically include the erection of public rescue equipment, signage and other necessary facilities. We also complete public rescue equipment usage checks and advise Local Authorities, state agencies and private enterprises on matters relating to water safety.

Lifeguard Rescues and Preventive Actions

Our Local Authorities employ Water Safety Ireland assessed lifeguards during the bathing season at popular bathing sites nationwide. The table below gives a clear picture of the effectiveness and value they contribute to saving lives each year and we commend them for this work in drowning prevention.

	Rescues without craft	Rescue Craft Rescues	First Aid	Lost Child Found	Advice Given	Accidents Prevented	Other incidents

Going Blue for World Drowning Prevention Day

National Awards Ceremony

Fifteen lives were saved from drowning by rescuers who received recognition at Water Safety Ireland's National Annual Awards Ceremony, broadcasted online at 7pm on Tuesday 6th December 2022.

The Minister for Rural and Community Development Heather Humphreys TD acknowledged recipients of a range of Awards including the SEIKO Just in Time Awards, Long Service Awards, and Recognition Awards for services rendered to Water Safety Ireland and also the Volunteer of the Year Award. Among the recipients are members of the public, members of Water Safety Ireland and other individuals and organisations who assist in the reduction of drownings by supporting the work of Water Safety Ireland throughout the year.

Long-Service Volunteer Awards were presented to 30 volunteers, recognising a combined total of 545 years of service teaching swimming, water rescue and survival skills in communities nationwide.

Community and Social Responsibility Awards

In recognition of the support given to Water Safety Ireland's community work, charitable activities and commitment to drowning prevention initiatives and the reduction of aquatic related injuries.

Timemark

Timemark Limited is a distributor of leading Watch and Jewellery brands. Founded in 1979, and entirely Irish owned and managed, Timemark sponsors the SEIKO Just In Time Award, which they have supported since its inception in 2001 and for which we are deeply grateful.

Canada Life Insurance

Canada Life Reinsurance partnered with Water Safety Ireland to fund lifesaving ringbuoys directly to recently flooded regions of Pakistan. These ringbuoys will be used by first responder medical crews on the ground to help with rescue efforts in areas devastated by flooding. Thank you Canada Life Reinsurance.

Liam Neeson

Liam graciously recorded water safety messages for radio, TV and online, reminding people that learning to swim, learning a lifesaving skill, saves lives. Liam also recorded messages to raise awareness about World Drowning Prevention Day which was highlighted by the World Health Organisation. Thank you, Liam, for supporting our efforts to bring drownings down.

Yuliia Chychul

Yuliia arrived as a refugee from Ukraine and set about translating water safety information for her fellow Ukrainians who were not aware of the coastal dangers around Ireland. Yuliia also attended and translated water safety workshop material that gave advice as part of welcoming our Ukrainian friends and helping them to stay safe at our waterways. Thank you Yuliia.

Nick Corish

Nick Corish has given a lifetime of service to Water Safety Ireland as an Instructor and Volunteer, providing his time and knowledge to teach generations of students how to swim. Nick generously gave his time once more to star in Water Safety Ireland's New Year video, encouraging others to put water safety first. Thank you, Nick for your continued support.

Leon Quinlan Perpetual Award

Corliss National School, Co. Cavan

The Leon Quinlan Perpetual Award is presented to a primary school that has been particularly attentive to the need for pupils to learn water safety skills. When young Leon Quinlan drowned in 2004, his mother Lynn contacted Water Safety Ireland about running an event to raise awareness about water safety. Corliss National School in County Cavan is a small two-teacher school that is committed to delivering Water Safety Ireland's Primary Aquatics Water Safety Programme to their pupils. The children learn about local hazards in the home, on the farm and other aquatic environments nearby. Congratulations to the school for ensuring that the children in their care have the knowledge and skills necessary to stay safe from drowning.

Avery Greene Memorial Award

Sunflower Creche and Playschool, Galway

Avery Greene was just three-years-old when, in 2019, he tragically drowned while on holiday in Spain. Avery's mother Amanda became an enthusiastic promoter of an education resource called Hold Hands that was developed by Water Safety Ireland and distributed to more than 4,000 Early Learning Centres nationwide. It contains lots of games and fun activities designed to encourage this young age group to talk about water safety and it has been embraced by Educators around the country, including today's recipient of the very first Award - the Sunflower Creche and Playschool Galway who played a key role in helping Water Safety Ireland to create the resources for Hold Hands, a programme of activities and games that teach young children how to stay safe around water. Congratulations Sunflower Crèche and Playschool.

The WISE Award

St. Anne's Community College, Killaloe, Co. Clare

Water Safety Ireland's secondary school programme, Water Insight Safety and Education (WISE) programme was launched this year, 2022. It gives pupils the knowledge they need to stay safe. Project work encourages pupils to highlight local dangers and help make their communities safer. Congratulations to the pupils at St. Anne's Community College, Killaloe and their teacher Rosie Foley for their enthusiastic participation in the programme.

Left to right: Lifeguards Rachel Connolly, Lucy Cleere, David Farrelly, Sarah Donnelly, Jayke Morris and Conall Boyle pictured as part of Water Safety Ireland's Heed Our Heroes campaign.

Sports Persons of the Year Award

This summer, after a 2-year gap, the Irish Team went to the World Championships in Italy where the Senior team broke a number of Irish pool records and personal best performances. The Junior team also performed well at the pool, making B finals and attaining personal best performances. The Irish Team placed 11th in overall rankings out of 56 nations. It was on the beach where the team surpassed expectations. While there were notable performances from the entire squad, the Senior Boys, Junior Boys and Junior Girls Board Rescue teams achieved great success including a World Championship Silver Medal.

Congratulations to our Sports Persons of the Year recipients:

Senior Boys - Odhran Savage and Tom Breen.

Junior Boys - Ferdia Hayes and Oisín O'Grady

Junior Girls - Hazel Bentley and Leanna Liddane

Long Service Awards

Long Service Awards are presented in recognition of a voluntary commitment to promoting a public awareness of water safety and rescue based on the humanitarian goal of saving life. Water Safety Ireland extends a sincere debt of gratitude to the following volunteers.

First Name	Last Name	County	Years of Service
Gerry	Bruton	Offaly	10

Participants get ready on Portmarnock Beach during their Water Safety Ireland – Dublin, Open Water Lifeguard Course. Photo: Ronan Kelly

Volunteer of the Year Award

Sinead Mortell – Volunteer of the Year

Sinead can be described as an “all-round WSI volunteer”, qualifying as Lifeguard and giving back to her community in Clare as a water safety Instructor and Examiner. Sinead also runs training courses for aspiring Instructors and conducts Risk Assessments to ensure that our waterways are safe for swimming. As a Lifesaving Sport competitor Sinead has successfully represented both her county and country and competed as a Master in this year’s World Lifesaving Championships in Italy. She continues to coach other competitors. And is also a qualified Rescue Boat Driver and somehow found time to be secretary of the local Water Safety Area Committee. Sinead reflects all that is positive about being a volunteer and is a very deserving recipient of Volunteer of the Year, 2022. Congratulations Sinead.

Life Governor Awards

The Award of Life Governor is presented to an individual who has demonstrated a particular dedication towards the humanitarian goal of saving life from drowning. All of these recipients also served two five-year terms on the Council of Water Safety Ireland, and we are truly grateful for their combined total of fifty years’ voluntary service shaping and guiding the work of the Council over those two terms. Thank you and congratulations Life Governors.

The recipients are:

Lola O’Sullivan

Tom Doyle

Seamus O’Neill

Anne Ryan

Paul Murphy

The SEIKO “Just In Time” Award

Presented to those who came to the assistance of person(s) in difficulty in water and in danger of drowning. Without their quick thinking, the outcomes could have been very different.

Garda Sarah Lynam, Co. Dublin

In August 2022, Garda Sarah Lynam, a former competitive swimmer, became alerted to the fact that a person was in distress in the water at Bachelor’s Quay. She ran from the GPO on O’Connell Street, removed her stab vest and utility belt and swam to the casualty. Once out of the water, she noticed he was not responsive, so she began CPR and he made a full recovery.

Francis Doherty and Maureen Devenney, Co. Donegal

In May 2022, Maureen Devenney and her sister got pulled out to sea by a strong current. Maureen encouraged her sister to kick her legs and turn over onto her back while Maureen swam to the shore where she got help from Francis who swam out with a ringbuoy and started for shore. Meanwhile, Maureen had organised a chain of six people to wade out chest deep and ring both to safety.

John Timlin, Co. Kerry

In August 2022, John had just finished a surf lesson at Fermoy strand, Castlegregroy, in Kerry. Suddenly he saw swimmers in difficulty, caught in a rip current. He quickly grabbed a surfboard and paddled out. It took some time to get through the high waves. Eventually, he spotted a motionless girl, weak and semi-conscious, pulled her up onto the board and began a challenging paddle to shore through dangerous conditions. He placed her into the recovery position and after coughing up a lot of water, was kept warm with blankets from his van until emergency services arrived. Thankfully, she made a full recovery.

Sarah Cooke, Co. Offaly

In July 2022, Sarah was teaching a water safety class at Banagher pool in Offaly. A young man at the other end of the pool got into difficulty so she grabbed a ringbuoy, instructed her class to vacate the pool and brought him to safety.

Sergeant Brendan Byrne and Garda Ronan Allen, Co. Dublin

In August 2019, Gardai Brendan Byrne and Ronan Allen responded to a 999 call that a man was in the river Liffey. When they arrived, two men were in difficulty. Garda Allen entered the water and reached them with a ringbuoy. Sergeant Byrne pulled the rope towards a ladder where Dublin Fire Brigade soon arrived at the scene and helped to take all three people out of the water to safety.

David Caulfield, Dylan Putthaaree and Glen Wightman, Co. Wexford

In August 2021, David Caulfield was driving along the quays by the river Barrow in New Ross, Co Wexford. He saw a man in the water and immediately jumped in and pulled him towards the riverbank where a passing boat spotted them and pulled them both to safety.

Paul Sweeney and Garda Mark O Sullivan, Co. Donegal

In December 2021, Paul Sweeney saw a young man was in difficulty at Rathmullen pier, Donegal. He entered the water and managed to reach the young man. Garda Mark O Sullivan arrived, grabbed a ringbuoy and entered the water. Both men kept the casualty afloat until emergency services arrived. The hypothermic young man was brought to hospital where he made a full recovery.

Jonathan Monroe, Co. Galway

In July 2022, Jonathan was on his way to work when he saw a person in distress in the Eglinton canal in Galway city. Jonathan entered the water, reached the man and pulled him to safety. He stayed with the casualty until emergency services arrived. The casualty made a full recovery.

Mikey O'Siochru, Co. Dublin

In August 2022, Mikey had just come off duty as a lifeguard in Sandycove, when he was alerted to a woman in distress in the water. A seal was attacking the woman. He entered the water with a flotation device and upon reaching her, saw that she was injured. Mikey calmed the situation and brought her safely to shore where she received medical assistance for her wounds and made a full recovery.

Saoirse Maloney, Co. Waterford

In July 2022 Saoirse was alerted that a woman was at risk of drowning in a cove in Ardmore. Saoirse swam to her rescue and brought her to safety. The woman was very disorientated but Saoirse continued to reassure her.

Patrick Gordon, Co. Clare

In July 2022, Patrick was out surfing in strong winds with a friend when they heard a swimmer shouting for help after getting pulled from shore by a rip current. He immediately paddled towards the swimmer and told his friend to make for shore to get help. Patrick took his friend's board, reached the exhausted swimmer, and got him to hold onto the board until he regained his breath and was able to make it safely back to shore.

Josh Marley, Co. Donegal

In August 2021, Josh became alerted to a person in distress in the water at Lifford bridge, Donegal. He immediately entered the river and managed to reach the woman and bring her to the safety of the riverbank where the emergency services took over.

Miley Doran, Co. Carlow

In May 2021, Miley discovered two people, a mother and daughter, in difficulty in the River Barrow. Miley immediately jumped into the water and managed to bring the young girl to safety, before entering the water once more to rescue her mother. An incredible act of courage.

Media Appreciation Awards

Presented in appreciation for covering drowning prevention and water safety issues throughout the year.

***National Radio Broadcaster Award: Jennifer Zamparelli,
Broadcaster – RTÉ 2FM Radio***

At the height of summer, when thousands of people were flocking to our beaches, The Jennifer Zamparelli Show on RTE’s 2FM hosted discussions and podcasts that drew attention to the dangers associated with rip currents, inflatable toys and other water safety risks. Thank you Jennifer for informing listeners nationwide on how to stay safe in, on and near water.

Local Radio Station Award: Red FM (Cork)

Cork’s Red FM is broadcasting since 2002. Thanks to their ongoing coverage of water safety issues, listeners are more aware of the dangers at aquatic environments. Thank you Red FM.

National TV Broadcaster: Conor Kane, Correspondent - RTÉ News

Throughout the summer, thousands of people gathered on beaches and inland waterways nationwide. RTE News filmed lifeguards at work in Co. Waterford and Co. Galway and also broadcast important summer safety advice. The News team also featured the installation of new smart ringbuoys that will alert local authorities if a ringbuoy is missing or stolen. Thank you to Conor and his colleagues for raising awareness throughout the summer.

Provincial Press Award: Claire McGovern, Editor - The Leitrim Observer

The Leitrim Observer is a weekly newspaper that was first published in 1889. It has promoted many of Water Safety Ireland’s messages to readers, emphasising important drowning prevention advice. Thank you Leitrim Observer for highlighting water safety.

**BETTER TO ALWAYS
WEAR A LIFEJACKET
ON OR NEAR WATER.**

**BETTER SAFE
THAN SORRY**

Rialtas na hÉireann

An initiative within the Department of Rural and Community Development.

National Press Award: Paul Hyland, Journalist - Irish Independent.

The Irish Independent has covered many water safety issues throughout the year including a particularly poignant article by Paul Hyland featuring the family of 14-year-old Bradley Lulendo, who drowned at Burrow Beach in Dublin. Additional reporting included important advice for water users and we are truly grateful for Paul's efforts to keep people safe.

Online Broadcasting: Sophie Collins, Journalist - IrishMirror.ie

Irishmirror.ie is one of Ireland's most read digital news websites. Their continued coverage of breaking news and warnings from Water Safety Ireland helped keep water safety in the public consciousness this past year. Journalist Sophie Collins focused on topical water safety issues and always included helpful advice. Thank you Sophie for putting water safety front and centre with your readers.

Analysis of Drownings 2022

Water Safety Ireland - targeting at-risk groups with drowning prevention initiatives. The total number of drownings in Ireland in 2022 was 85, five more than in 2021 when 80 drowned. The average number of drownings each year over the past ten years is 105. Each figure in the following graphical analysis, be it accidental, suicide or of undetermined cause, reflects a preventable tragedy that affects so many lives. Water Safety Ireland continues to target at-risk groups with initiatives to highlight best practices so that drownings are reduced.

A synopsis of some general contributory factors over the years:

1. Poor or inadequate equipment (e.g. boats or lifejackets);
2. Not wearing a correctly fitting lifejacket;
3. Alcohol consumption;
4. Falling unexpectedly into water;
5. Improper use of boats and equipment;
6. Overestimation of skills; underestimation of ability;
7. Lack of local knowledge when travelling in Ireland and abroad;
8. Not being able to swim or not having lifesaving and water survival skills;
9. Easy unauthorized access to waterways;
10. Cold water shock and hypothermia;
11. Current (including rip currents, river currents, and tidal currents);
12. Offshore winds (including flotation devices);
13. Pre-existing diseases;
14. Underwater entanglement;
15. Bottom surface gradient and stability;
16. Waves (coastal, boat);
17. Water transparency;
18. Impeded visibility (including coastal configuration, structures and overcrowding);
19. Lack of parental supervision (infants and children);
20. Change in weather conditions;
21. Excessive "horseplay" or over exuberant behaviour;
22. Swimming outside the depth of the user.

Lifeguards Go Blue for World Drowning Prevention Day

World Drowning Prevention Day 25 July

Anyone can drown, no one should.

WE'RE GOING BLUE FOR WORLD DROWNING PREVENTION DAY. WILL YOU?

Government of Ireland

Supported by the Government of Ireland

A synopsis of some general preventive and management actions:

1. Public education by Water Safety Ireland regarding hazards and safe behaviours;
2. Teaching children to stay away from water when unsupervised through the WSI PAWS (Primary Aquatics Water Safety) programme;
3. Continual adult supervision of children;
4. WSI media campaigns that drowning can happen quickly and quietly;
5. Promote in WSI press announcements, the restriction of alcohol provision before or during aquatic activities;
6. Provision by Water Safety Ireland of properly trained and equipped lifeguards;
7. Provision of rescue services;
8. Water Safety Ireland Risk Assessments that include assessments of local hazard warning notices, access to emergency response and availability of resuscitation skills/facilities and other factors;
9. Development by Water Safety Ireland of rescue and resuscitation skills among general public and user groups;
10. Coordination by Water Safety Ireland with user group associations concerning hazard awareness and safe behaviours;
11. Wearing of adequate lifejackets and Personal Flotation Devices when boating;
12. Fencing and doors to isolate outdoor aquatic environments.
