

9th August 2023

Deputy Róisín Shortall, TD
Dáil Eireann
Kildare Street
Dublin 2.

PQ36282/23

To ask the Minister for Health to provide the breakdown between alcohol and drugs treatment beds in each alcohol and drug treatment centre provided by NGOs, for-profit providers and directly by the State, in tabular form.

Dear Deputy Shortall,

The Health Service Executive have been requested to reply directly to your above Parliamentary Question which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

The attached table lists the beds in each residential treatment centre and the number of these which are reserved for alcohol or drug treatment. In the majority of services, beds are not assigned based on substance type, but on clinical presentation, i.e. the beds can be used for either alcohol or drug treatment depending on the needs of the person referred. This is captured in the table.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours sincerely,

Prof Eamon Keenan
National Clinical Lead-Addiction Services
