

6<sup>th</sup> June 2023

Francis Noel Duffy, TD  
Dáil Eireann  
Kildare Street  
Dublin 2.

**PQ Number: 24591/23**

**To ask the Minister for Health the names of all residential drug rehabilitation centres to which the HSE awards core funding; and the amount of funds they receive, in tabular form.**

Dear Deputy Duffy,

The Health Service Executive has been requested to reply directly to your above Parliamentary Questions which you submitted to the Minister for Health for response. I have examined the matter and the following outlines the position:

The attached table lists the names of residential addiction services provided with funding directly by the HSE or Agencies that are in receipt of funding from the HSE as at May 2023. The table details the funding provided to the services/agencies for 2023. In some cases, the funding for residential addiction services cannot be separated from total funding that the organisation receives to run their service, such as community addiction services, mental health services and homeless services. In these cases, total funding figures for the organisations have been indicated and marked with \*\*.

Two in-patient medical detoxification services at Cuan Dara and Beaumont are funded by the HSE via Cherry Orchard Hospital and Beaumont Hospital respectively.

I trust this information is of assistance to you but should you have any further queries please contact me.

Yours sincerely,

---

Prof Eamon Keenan  
National Clinical Lead - Addiction Services

### Funds Received by HSE-Funded Residential Addiction Services in 2023

Service/Agency	Facility	Treatment Type	Funding 2023
