--	----

Foreword

This document has been produced by the Prevention Education Sub Group of the Dublin North East Local Drugs Task Force. It is hoped that the information contained within the document will be of benefit to groups and organisations working throughout the community.

We are particularly hopeful that this information will benefit drug prevention and education services in the Dublin North East region, through the creation of opportunities for collaboration and networking with other individuals committed to working towards the creation of a positive future for Dublin North East.

ADAP - Artane Drug Awareness Programme

Name of Organisation: Artane Drug Awareness Project (ADAP)

Address: Artane Drug Awareness Project,
55 Gracefield Road,
Artane D5.

Main Number: 01-8187318

E-mail: artanedrugawareness@hotmail.com

Website address: N/A

Manager Mandy Scully

Youth Worker Amel Yacef

Tel: 01-8511697

What do we do?

Working with children and young people in the Artane area, in and out of the school setting. Some of our activities include: boys and girls after schools groups, drama group, teenage drop in, drug awareness programs through personal development. We also work with “at risk” young people referred by local schools.

We provide counselling and 1:1 support for local people to access drug treatment services. We run personal development courses for the adults and parents of the young people who use the centre.

Entry requirements/waiting lists etc.

Entry requirements – Anyone can call in or phone for a more in-depth chat. If a particular group is full, children and/or young people can leave their name and when a place becomes available they will be contacted.

School Based Education & Prevention Programmes

(i) Social, Personal and Health Education (SPHE)

Social, Personal and Health Education, as part of the curriculum, supports the personal development, health and well being of young people and helps them create and maintain supportive relationships. The SPHE programme includes a substance misuse prevention module for second level schools.

On-going support in the implementation of SPHE is provided to schools through the Post-Primary SPHE Support Service. This service is a partnership between the Department of Education and Science, the Department of Health and Children and the Health Service Executive.

Supports offered to schools include:

- in-service professional development for principals, co-ordinators, teachers of SPHE, whole staff groups
- programme planning
- school substance use policy development
- school visits and support for the development of 'health promoting schools'.

Schools in Local Drugs Task Force Areas should contact:

Ancilla O' Reilly

SPHE Regional Development Officer

(i) Primary Level – Walk Tall

The Walk Tall programme is an SPHE programme for the prevention of substance misuse at primary school level. The Support Service assists schools/teachers in the 14 Local Drug Task Force Areas to implement the Walk Tall Programme as part of the SPHE curriculum. The supports offered include:

- Information on the Walk Tall Programme to teachers (Action 32 of the National Drugs Strategy [NDS])
- Information sessions to parents on the programme as part of SPHE (Action 34(b) of the NDS)
- Active learning methodology workshops to teachers
- Information and support for school policy committees on Substance Misuse Policy development and review (Action 43 of the NDS).

Old Blessington Road,
Tallaght,
Dublin 24.

Tel: (01) 4528001

E-mail: walktall@eircom.net

School Completion Programme

The School Completion Programme (SCP) is a Department of Education and Science programme that aims to have a significant positive impact on levels of young people's retention in primary and second level schools and on numbers of pupils who successfully complete the Senior Cycle, or equivalent.

The School Completion Programme is a key component of the Department of Education and Science strategy to discriminate positively in favour of children and young people who are at risk of or who are experiencing educational disadvantage. The programme is funded on a multi-annual basis under the National Development Plan (NDP) with assistance from the European Social Fund (ESF). SCP will be integrated into the new School Support Programme, as outlined in Delivering Equality of Opportunity in Schools (DEIS).

Garda Prevention Education Programmes

Primary Schools

The Garda Primary Schools Programme is a comprehensive education programme for 5th class pupils in Primary Schools throughout the country. The programme aims to teach children sensible and responsible patterns of behaviour in order that they may:

- Lessen the risks they may face through crime
- Be safer on the roads and at home
- Positively contribute towards Crime Prevention
- Know what the Role of the Gardaí is
- Develop positive attitudes towards the Gardaí and the work they do

The programme consists of a series of presentations given to the school children by their local Gardaí. These Gardaí have been trained in the delivery of the programme, which includes the following topics:

- The Role of the Garda
- Road/Cycle Safety
- Bullying
- Vandalism
- Personal Safety
- Drugs
- Crime Prevention

Name of Organisation: The Garda Schools Programme

Address: The Garda Schools Programme,
Community Relations,
Harcourt Square,

Garda Prevention Education - Secondary Schools

The Garda Secondary Schools Programme has been developed and is at present being introduced to Second Level schools throughout the country. The programme was designed in conjunction with the Social, Personal & Health Education (SPHE) syllabus of the Department of Education & Science.

Trained Gardaí are available to co-facilitate classes as part of the SPHE course at Junior Cycle level in the following two modules:

- Substance Use
- Personal Safety

For further information please contact your local Garda Station or contact:

Juvenile Diversion Programme

Since the 1st. of May 2002 the Juvenile Diversion Programme has been placed on a statutory footing with the commencement of parts IV and V of the Children Act 2001. Section 18 of the Act states that “*unless the interests of society otherwise require, any child who has committed an offence and accepts responsibility for his criminal behaviour shall be considered for admission to a Diversion Programme.*”

The programme is operated under the supervision of Superintendent, Community Relations Section, who is known as the Director.

At local level the programme is implemented by Garda Juvenile Liaison Officers who are trained in Restorative Justice Principles and mediation skills.

Name of Organisation: The Garda Juvenile Diversion Programme

Address: Clontarf Garda Station

Who do we help?

We are a Family Resource Centre and provide services to the local community. These include: reduced rate alternative health services such as homeopathy, holistic massage and counselling; courses and classes which change regularly and vary from cookery to crochet, floral arranging, gardening and a mother and toddler group. We also have a Solicitor Outreach every two weeks, where the public can avail of free legal advice.

We aim to encourage active participation and community involvement, so that people can determine their own needs and be supported to develop suitable responses to these needs.

Health Service Executive – Addiction Services (Prevention Education)

Name of Organisation: Health Service Executive – Addiction Services

Address: Administrative Headquarters
2nd. Floor
Phibsboro Tower
Dublin 7

Main Number: 01-8820300

E-mail: For Prevention Education queries only:
bernadette.maguire@mailc.hse.ie

Website Address: www.hse.ie

Manager: Gerry Reid

Services and Supports Available: The Addiction Services promotes a drug free lifestyle by providing prevention, treatment, rehabilitation and after-care programmes to minimise harmful effects of substance use and prevent the spread of HIV/Hepatitis and other infections.

Prevention Education Service:

- Facilitate individuals, groups, agencies and communities to develop appropriate responses to substance use issues
- Develop and implement sustained and integrated education and training initiatives across the Statutory, Voluntary and Community sectors
- Adopt a diverse range of approaches in partnership with the community to ensure equitable access to skills enhancement and capacity building
- Assess current provision, identify and develop further needs- based interventions
- Promote active participation and dialogue towards more inclusive and integrated practice and policy
- Ensure adherence to and promotion of Principles of Best Practice in design, delivery and evaluation of prevention education initiatives

Contact Person: Bernie Maguire
Education Officer
